I understand that bike lockers and the companion locks are the property of San Bernardino County. I agree to rent a locker/lock combination and maintain them in good condition and I will be responsible for the repair of any damages that result from my use of the locker. I agree to pay a **\$25 deposit** for the lock, which will be refunded to me upon the lock's satisfactory return.

I acknowledge that bike lockers are only available to active cyclists and as a condition of rental, I must demonstrate my commitment to participation in the Cyclist Rideshare Program by tracking my monthly activity on-line at <http://countyline/commuterservices> or by any other means approved by Commuter Services. My signature below confirms my understanding of and my agreement to the terms and conditions set forth in this document.
