RE: Vacation/Holiday/Administrative/Paid Time Off Leave Cash-Out for Calendar Year 2025

Dear Name:

It is time for you to consider your leave cash-out options for 2025. As a contract employee with Exempt-like benefits, you have several leave cash-out options depending on the leave types you are eligible to accrue in 2025. Your cash-out options are summarized below. For further details, please refer to your contract and the [Exempt Compensation Ordinance](#).

### **Vacation and/or Paid Time Off (PTO)**

You may elect to cash out vacation and/or PTO by exercising the following options:

- **Future Accruals** – You must make an **irrevocable** election during the month of December specifying the number of hours to be sold back from the next calendar year's vacation/PTO leave accrual. The election must be made in increments of not less than 10 hours and may not exceed 160 hours.
  - **Employees Not Enrolled in the Modified Benefit Option (MBO):** You may pre-designate up to **160 vacation hours** accrued in 2025. You may pre-designate a combination of vacation and PTO only if you intend to convert to the MBO during the next open enrollment period and start accruing PTO in the new plan year beginning July 26, 2025.
  - **Employees Enrolled in MBO:** You may pre-designate up to **160 PTO hours** accrued in 2025. You may pre-designate a combination of vacation and PTO only if you intend to disenroll from MBO during the next open enrollment period and start accruing vacation in the new plan year beginning July 26, 2025\*.
- **Existing Accruals** – You may cash out existing vacation and/or PTO accruals without a pre-designation and hours **will be subject to a 10% penalty**.

**\*Please note that if you intend to enroll in or disenroll from MBO during the 2025 open enrollment period, you will not accrue the full 160 hours of vacation or PTO needed to cash out this amount.** Therefore, you will need to pre-designate a combination of PTO and vacation to cash out the complete 160 hours.

### **Holiday Leave**

You may elect to cash out holiday leave by exercising the following options:

- **Future Accruals** – You are eligible to make the following **irrevocable** pre-designations:
  - **Employees Not enrolled in MBO:** up to 120 holiday hours accrued in 2025.
  - **Employees Enrolled in MBO:** up to 112 holiday hours accrued in 2025.
- **Existing Accruals** – You may cash out existing accruals without a pre-designation and hours **will be subject to a 10% penalty**.
