The designation may be made, and may be revoked and changed, only on a County approved Beneficiary designation form provided by the Plan Record Keeper. The Participant accepts and acknowledges that he or she has the burden for executing and filing with the Plan Record Keeper the proper Beneficiary designation form. It is not binding on the County or the Plan Record Keeper until it is signed by the Participant and Participant's spouse if applicable, and filed with and accepted by the Plan Record Keeper.

In the absence of such a designation, or if no designated person is living when a benefit is payable, the Plan Administrator will direct the Plan Record Keeper in writing to pay any benefits payable under the Plan in the following order of priority:

Neither the Participant nor the Participant's Beneficiary, nor any other designee, shall have any right to commute, sell, assign, pledge, hypothecate, transfer, or otherwise convey the right to receive any payments hereunder, which payments and right thereto are expressly declared to be non-assignable and non-transferable.

Any such assignment or transfer shall not be recognized by the County and, if made by the Participant in writing, shall be deemed to constitute an immediate revocation by the Participant of the assignment or transfer. In the event that a Participant commits or attempts to commit a prohibited act, the County is relieved of all liability under the Plan. Except to the extent otherwise provided by law, no Base Salary deferred or benefits paid pursuant to this Plan shall be subject to attachment, garnishment or execution, or to transfer by operation of law in the event of bankruptcy or insolvency.

Each such written direction shall be accompanied by a certificate of the Defined Contribution Committee that the payment is in accordance with the Plan including, but not limited to, benefit payments; reasonable expenses of the Plan and Trust; return of contributions made subject to qualification or made in error. The Trustee shall not be responsible in any way with respect to the application of such payments or the Trust Fund to meet and discharge any and all liabilities under the Plan.
