12 (c) Salary Schedules, Wage Increases, Classifications, and Salary Rates, and
13 Step Advancements.

14 (1) Salary Schedules. The salary schedules for Exempt Group and all
15 non-represented employees are as on file with the Clerk of the Board of Supervisors.

16 Effective July 18, 2020, the County shall add a new top step at
17 approximately two and one-half percent (2.5%) above the then current top step for all
18 salary ranges, except the no POST range, of Deputy Director Sheriff's Coroner Division,
19 Sheriff's Captain, Sheriff's Deputy Chief, Assistant Sheriff, Undersheriff, District Attorney
20 Chief Investigator, and District Attorney Assistant Chief Investigator. Employees
21 assigned to these classifications who are at the top step of the applicable range shall be
22 advanced one step effective July 18, 2020. The initial granting of this top step is subject
23 to the discretion of the Chief Executive Officer based on the availability of financial
24 resources.

25 (2) Wage Increases. The following wage increases shall be included in
26 the salary schedules for Exempt Group employees and all non-represented employees,
27 as are on file with the Clerk of the Board of Supervisors:

28 Effective July 18, 2020, the County shall provide all classifications in the

1 Exempt Group with a three percent across the board salary increase.*

2 *The initial granting or restoration, in whole or in part, of this across the
3 board salary increase is subject to the discretion of the Chief Executive Officer based on
4 the availability of financial resources.

5 Effective July 31, 2021, the County shall provide all classifications in the
6 Exempt Group with a three percent across the board salary increase, subject to the
7 following:

8 If assessed values are less than a two percent increase in the 2019/2020
9 fiscal year from the 2018/2019 fiscal year and/or if the state or federal governments
10 change funding allocations or reduce funding for the In-Home Support Services
11 program (e.g., the Maintenance of Effort inflation factor is increased above four percent,
12 etc.) then the County may, upon approval of the Board of Supervisors, defer this three
13 percent increase no later than January 1, 2022.

14 Effective July 30, 2022, the County shall provide all classifications in the
15 Exempt Group with a three percent across the board salary increase, subject to the
16 following:

17 If assessed values are less than a two percent increase in the 2020/2021
18 fiscal year from the 2019/2020 fiscal year and/or if the state or federal governments
19 change funding allocations or reduce funding for the In-Home Support Services
20 program (e.g., the Maintenance of Effort inflation factor is increased above four percent,
21 etc.) then the County may, upon approval of the Board of Supervisors, defer this three
22 percent increase no later than January 1, 2023.

23 The County shall provide eligible employees a one-time lump sum
24 payment of three percent of each employee's salary covering the period from July 18,
25 2020 – September 25, 2020, in lieu of the scheduled July 18, 2020 across the board
26 increase, subject to the following:

27 Eligibility. In order to be eligible for the lump sum payment:

28 i. An employee must be employed in an Exempt Group position

1 covered by this Ordinance on the date of Board approval; and,

2 ii. Be in paid status in an Exempt Group position covered by this
3 Ordinance in the pay period in which the lump sum payment is paid. Employees not in
4 paid status in the pay period in which the payment is paid shall receive a prorated lump
5 sum payment upon return to paid status, provided, however, that the employee returns
6 to paid status by September 25, 2020.

7 An eligible employee who is part-time or job-sharing shall be eligible for a
8 prorated lump sum payment based on regularly scheduled hours.

9 An employee who has separated from County employment for any reason
10 or who is no longer in an Exempt Group position covered by this Ordinance for any
11 reason prior to the pay period in which the payment is paid out, or who is hired into an
12 Exempt Group position covered by this Ordinance after the date of Board approval of
13 the payment, shall not be eligible to receive the lump sum payment.

14 Payment. The County agrees to pay eligible employees a lump sum of
15 three percent of the employee's salary, to be paid in one payment, subject to
16 withholdings, provided, however, an eligible employee who is part-time or job-sharing
17 shall be eligible for a prorated payment based on regularly scheduled hours.

18 It is anticipated that the lump sum shall be payable in the month of August
19 2020.

(D) Notwithstanding the salary as established by this chapter, the Board of Supervisors may establish salary, benefits, and other terms and conditions of employment by contract for the classifications listed in this section.

(4) Salary Rates and Step Advancements.

(A) Eligibility for Step Advancement. New employees shall be hired at Step 1 of the established base salary range, except as otherwise provided in this subdivision. Variable entrance steps may be established if justified by recruitment needs through Step 7 with the approval of the appointing authority and through the top step with the approval of the Director of Human Resources.

Within the base salary range, all step advancements will be made at the beginning of the pay period in which the employee completes the required

1 number of service hours. However, when an employee reaches the required number of
2 service hours with 80 hours in each pay period, the step advancement will be made at
3 the beginning of the next pay period. Approval for advancement shall be based upon
4 completion of the required length of service hours in the classification, satisfactory work
5 performance, and appointing authority recommendation.

6 Completed service hours shall be defined as regularly scheduled
7 hours in a paid status, up to 80 hours per pay period. Overtime hours, disability
8 payments, medical emergency leave, and time without pay shall not count toward step
9 advancements. Unless otherwise approved by the Board of Supervisors, step
10 advancements within a base salary range shall be based upon a one-step increment,
11 approximately two and one-half percent. The employee shall be eligible for step
12 advancements after completion of increments of 1,040 hours until the top step of the
13 range is reached.

14 (B) Implementation of Classification Study Results.

15 (I) Upgrading. An upgrading is the reclassification of a
16 position from one classification to another classification having a higher base salary
17 range. Whenever an incumbent employee is upgraded as a result of such
18 reclassification, pursuant to the Personnel Rules, such employee's step placement in
19 the new salary range shall be governed by the subdivision on "Promotions."

20 (II) Downgrading. A downgrading is the reclassification
21 of a position from one classification to another classification having a lower base salary
22 range. When a position is downgraded, the incumbent employee may continue at the
23 same salary rate where the salary rate is within the new base salary range. Where an
24 incumbent receives a salary rate greater than the maximum of the new base salary
25 range, the Director of Human Resources may authorize continuation of the same salary
26 rate to the incumbent employee that the employee received prior to the downgrading of
27 the position by placing the employee on an "X" step, provided that the employee shall
28 receive no future salary rate increases until the salary range maximum of the new

1 classification exceeds the "X" step.

2 (C) Salary Rate Adjustment. A salary rate (equity) adjustment is
3 a change in the salary range assignment of an existing classification as a result of a
4 compensation study. Step placement for incumbent employees whose classification is
5 assigned to a higher base salary range shall be determined as follows, unless this
6 process is waived by the Chief Executive Officer:

7 (I) If the employee's original base rate of pay is less than
8 Step 1 of the newly designated pay range, the employee shall be placed on Step 1 of
9 the new range. The employee shall be eligible to advance to the next step upon
10 receiving a satisfactory rating on the employee's next annual performance evaluation, in
11 accordance with the requirements of Subsection 13.0613(c)(4)(A). Subsequent step
12 advances shall be administered in accordance with Subsection 13.0613(c)(4)(A).

13 (II) If the employee's original base rate of pay falls within
14 the newly designated pay range, and the salary adjustment granted is at least two
15 salary ranges, the employee shall be placed upon the step in the new range that is
16 approximately a five percent salary increase, not to exceed the maximum step of the
17 new range. If the employee's original base rate of pay falls within the newly designated
18 pay range, and the salary adjustment granted is less than two salary ranges, the
19 employee shall be placed upon the step in the new range that is approximately a two
20 and one-half percent salary increase, not to exceed the maximum step of the new
21 range. The employee shall be eligible to advance to the next step upon receiving a
22 satisfactory rating on the employee's next annual performance evaluation, in
23 accordance with the requirements of Subsection 13.0613(c)(4)(A). Subsequent step
24 advances shall be administered in accordance with Subsection 13.0613(c)(4)(A).

25 (D) Demotion. A demotion is the appointment of an employee
26 from an incumbent position to a position in a different classification for which the
27 maximum rate of pay is lower. An employee demoted for disciplinary reasons shall be
28 placed on the step within the base salary range of the class to which the employee

1 demoted as provided in the order of demotion.

2 An employee demoted for non-disciplinary reasons shall be
3 retained at the same salary rate, provided the salary rate does not exceed the top step
4 of the applicable range, with the approval of the appointing authority and the Director of
5 Human Resources.

6 (E) Promotion. A promotion is the appointment of an employee
7 from one classification to a classification having a higher base salary range. A
8 promoted employee shall receive at least the entrance rate of the new range or a two-
9 step or five percent salary increase, (i.e., mathematically closest to five percent)
10 whichever is greater, provided that no employee is thereby advanced in step nor
11 advanced above the top step of the higher base salary range. At the discretion of the
12 appointing authority and with the approval of the Director of Human Resources, an
13 employee may be placed at any step within the higher base salary range. Promotions
14 shall be effective only at the beginning of a pay period unless the Director of Human
15 Resources approves an exception.

16 (d) Job Sharing and Part-time Employment. The County will make
17 reasonable accommodation for employees who desire to share their positions with other
18 qualified employees or eligible persons or to work on a part-time basis. Jobs may be
19 shared on an hourly or daily basis. All benefits for job sharing and part-time employees
20 shall be pro-rated on regularly scheduled hours except as may otherwise be provided.
21 Benefits not subject to proration include the following leaves: blood donation,
22 examination time, and bereavement. Further, where a specific benefit provides a
23 minimum hour requirement (e.g., must be full-time, or scheduled hours) job sharing and
24 part-time employees shall be required to meet the minimum hour requirement in order
25 to receive the benefit.

26 (e) Hours of Work.

27 (1) Employees shall be required to work during such hours as
28 necessary to carry out the duties of their position as designated by the appointing

1 authority, and such hours may be varied so long as the work requirements and efficient
2 operations of the County are assured.

3 (2) The nature of Fair Labor Standards Act (FLSA) exempt
4 employment for certain affected Exempt Group classifications is such that intermittent,
5 occasional overtime is needed to fulfill the responsibilities and requirements of the
6 position. Usually, additional time and effort are proportionate to the importance and
7 level of the responsible position. These factors of time and effort are incorporated when
8 the compensation level of FLSA-exempt positions is established. In those instances in
9 which a position's work extends well beyond the normal hours of employment, the Chief
10 Executive Officer may authorize additional compensation in the form of cash payment or
11 compensating time off, generally on a pre-approved and prescheduled basis.
12 Circumstances for such compensation would include implementation of the intent of a
13 Board of Supervisors approved program or emergency response.

14 (3) For FLSA-covered employees in the Exempt Group classifications,
15 overtime is determined by the legal requirements of the FLSA. For FLSA-covered
16 employees, the following overtime provisions apply.

17 (A) Definition. OVERTIME shall be defined as all hours actually
18 worked in excess of 40 hours a work period. For purposes of defining overtime, paid
19 leave time, excluding sick leave as provided in Subsection 13.0613(e)(3)(B), shall be
20 considered as time actually worked. Overtime shall be reported in increments of full 15
21 minutes and is non-accumulative and non-payable when incurred in units of less than
22 15 minutes. Overtime shall not affect leave accruals.

23 (B) Sick leave that is not pre-approved and sick leave used by
24 employees on leave restriction shall not be considered as time actually worked for the
25 purpose of calculating overtime. PRE-APPROVED shall mean notice to management
26 at least 48 hours prior to the beginning of the leave.

27 (C) Overtime Compensation. Any employee authorized by the
28 appointing authority or authorized representative to work overtime shall be

1 compensated at premium rates, i.e., one and one-half times the employee's regular rate
2 of pay. Payment for overtime compensation shall be made on the first payday following
3 the pay period in which such overtime is worked, unless overtime compensation cannot
4 be computed until some later date, in which case, overtime compensation will be paid
5 on the next regular payday after such computation can be made.

6 In lieu of cash payment, upon request of the employee and
7 approval of the appointing authority, an employee may accrue compensating time off at
8 premium hours. Cash payment at the employee's base rate of pay shall automatically
9 be paid for any compensating time which exceeds 80 hours, for any such time which
10 has not been taken within 26 pay periods after being accrued, or for any hours on
11 record immediately prior to promotion, demotion or termination of employment.

12 (D) Variable Work Schedule. An appointing authority, with
13 agreement of an affected employee, may arrange for that individual to take such time off
14 as necessary to ensure that an employee's actual time worked does not exceed 40
15 hours within a given work period.

16 (E) Work Period. The work period for purposes of overtime
17 commences at 12:01 a.m. Saturday and ends at 12:00 midnight the following Friday of
18 each week. The pay period and workweek may be adjusted in accordance with FLSA
19 requirements.

20 (f) Insurance Programs.

21 (1) Medical and Dental Coverage Insurance.

22 (A) All eligible employees scheduled to work 40 hours or more
23 per pay period in a regular position must enroll in a medical and dental plan offered by
24 the County. Employees who fail to elect medical and dental plan coverage will be
25 automatically enrolled in the medical and dental plan with the lowest biweekly premium
26 rates available in the geographical location of the employee's primary residence.
27 Medical and dental plan coverage will become effective on the first day of the pay
28 period following the first pay period in which the employee is scheduled to work 40

1 hours or more and received pay for at least one-half plus one hour of scheduled hours.

2 (B) To continue enrollment in County-sponsored medical and
3 dental plan coverage, an employee must remain in a regular position scheduled to work
4 for a minimum of 40 hours per pay period and have received pay for at least one -half
5 plus one hour of scheduled hours or be on an approved leave for which continuation of
6 medical and dental coverage is expressly provided under this subdivision, or be eligible
7 for and have timely paid the premium for COBRA continuation coverage.

8 (C) Eligible employees may elect to enroll their dependents upon
9 initial eligibility for medical and dental insurance. Thereafter, newly eligible dependents
10 may be enrolled within 60 days of obtaining dependent status, such as birth, adoption,
11 marriage, or registration of domestic partnership.

12 (D) Notification of a mid-year qualifying event must be submitted
13 to Human Resources in accordance with procedures adopted by Human Resources.
14 Employees are responsible for notifying the County within 60 days of dependent's
15 change in eligibility for the County plans.

16 (E) Dependent(s) must be removed mid-plan year when a
17 dependent(s) becomes ineligible for coverage under the insurance plan eligibility rules,
18 for example, divorce, over-age dependent, or termination of domestic partnership.

19 (F) Enrollment elections must remain in effect for the remainder
20 of the plan year unless an employee experiences an IRS qualifying event.

21 (G) Premiums for coverage will be automatically deducted from
22 the employee's pay warrant. Failure to pay premiums will result in loss of coverage for
23 the employee and/or the dependents. If the employee does not have sufficient earnings
24 to cover the deduction for premiums, the employee must make alternative payment
25 arrangements that are acceptable to Human Resources.

26 (H) Employees eligible for medical plan coverage who are also
27 enrolled in a comparable group medical plan sponsored by another employer or are
28 covered by a spouse, domestic partner, or parent who is also employed with the County

1 may elect to discontinue enrollment in County-sponsored medical plan (opt-out or
2 waive).

3 (I) Employees who, prior to July 9, 2005, elected to opt-
4 out of County-sponsored medical plan coverage and continue to opt-out will receive the
5 following biweekly amount: Employees scheduled for 61 to 80 hours per pay period
6 shall receive \$161.54 per pay period. Employees scheduled for 40 to 60 hours per pay
7 period shall receive \$80.77 per pay period. To receive these amounts, the employee
8 must be paid for a minimum of one-half plus one of their scheduled hours. For instance,
9 an employee scheduled to work 80 hours must be paid for a minimum of 41 hours
10 during a pay period to receive the opt-out or waive amounts.

11 (II) Employees scheduled to work 61 to 80 hours who,
12 prior to July 9, 2005, elected to waive medical plan coverage to a spouse, domestic
13 partner, or parent employed by the County and continue to waive will receive \$230.00
14 per pay period; employees scheduled for 40 to 60 hours who continue to waive shall
15 receive \$115.00 per pay period.

16 (III) New opt-outs or waives (i.e., new employees and
17 current employees who opted-out or waived effective July 9, 2005, and any time
18 thereafter) scheduled for 61 to 80 hours per pay period will receive \$40.00 per pay
19 period; new opt-outs or waives scheduled for 40 to 60 hours shall receive \$20.00 per
20 pay period.

21 (I) Employees eligible for County-sponsored dental plan
22 coverage who are also enrolled in a comparable group dental plan sponsored by
23 another employer or are covered by a spouse, domestic partner, or parent who is also
24 employed with the County may elect to discontinue enrollment in their County-
25 sponsored dental plan.

26 (J) The rules and procedures for electing to opt-out of or waive
27 County-sponsored medical and dental plan coverage are established and administered
28 by Human Resources.

1 (I) Employees may elect to opt-out of or waive County
2 medical and/or dental plan coverage(s) within 60 calendar days of the effective date of
3 gaining other employer group coverage. Proof of initial gain of other employer group
4 coverage is required at the time that opt-out or waive is elected.

5 (II) Employees may also elect to opt-out of or waive
6 County medical and/or dental plan coverage during an annual open enrollment period.
7 All employees who are newly opting-out or waiving during an open enrollment period
8 must provide verification of other group coverage.

9 (III) Except as required at the initial opt-out/waive election,
10 employees are not required to provide verification of continued coverage unless
11 requested by the plan administrator.

12 (IV) Employees who voluntarily or involuntarily lose their
13 other employer group medical and/or dental plan coverage must enroll in a County-
14 sponsored medical and/or dental plan within 60 calendar days. Enrollment in the
15 County-sponsored plan will be provided in accordance with the requirements of the
16 applicable plan.

17 (V) There must be no break in the employee's medical
18 and/or dental plan coverage between the termination date of the other employer group
19 coverage and enrollment in a County sponsored medical and/or dental plan. Terms and
20 conditions of the applicable plan will determine the required retroactive enrollment
21 period and premiums required to implement coverage. Failure to notify the County of
22 loss of group coverage within 60 calendar days will require the employee to pay their
23 insurance premiums retroactively on an after-tax basis.

24 (K) For employees assigned to work in the Needles, Trona, and
25 Baker work locations, the County will establish a Needles Subsidy. To be eligible for
26 the Needles Subsidy the employee must be enrolled in a medical plan and receive the
27 MPS. The Needles Subsidy will be paid by the employee's department and will be
28 equal to the amount of the premium difference between the indemnity medical plan

1 offered in these specific work locations and the lowest cost medical plan provided by the
2 County. The applicable subsidy amount shall be paid directly to the provider of the
3 County-sponsored medical plan in which the eligible employee has enrolled. This
4 Needles Subsidy will be established each year when premiums change for the County-
5 sponsored medical plans. The subsidy will be discontinued when the lowest cost
6 medical plan becomes available to the employees.

7 (2) Term Life Insurance.

8 (A) County Paid Life Insurance. The County will pay the
9 premium for a term life policy, the amount of which is based on the eligible employee's
10 scheduled hours. Employees scheduled from 40 to 60 hours per pay period shall
11 receive \$25,000.00 in coverage. An employee scheduled from 61 to 80 hours shall
12 receive \$50,000.00 in coverage. Life insurance will become effective on the first day of
13 the pay period following the employee's first pay period in which the employee is in paid
14 status. For pay periods in which the employee is not in paid status, the employee shall
15 have the option of continuing life insurance coverage at the employee's expense.

16 (B) Voluntary Life Insurance. In accordance with the procedures
17 established by Human Resources, eligible employees may purchase, through payroll
18 deductions, term life insurance subject to carrier requirements. New employees shall
19 become initially eligible to participate in this program on the first day of the pay period
20 following the pay period in which the employee is in paid status. Participation will
21 continue as long as premiums are paid timely. If the employee does not have sufficient
22 earnings to cover the deduction for premiums, the employee must make alternative
23 payment arrangements that are acceptable to Human Resources.

24 (3) Variable Group Universal Life. Eligible employees may purchase,
25 through payroll deductions, variable group universal life insurance subject to carrier
26 requirements and approval. The benefit levels for such insurance shall be equivalent to
27 no more than three times the employee's annual base earnings. Employees who
28 purchase variable group universal life insurance shall be provided a County contribution

1 towards the biweekly premium based on the following schedule:

Benefit Group	County Contribution
Benefit Group A	100 percent of the premium of the annual base salary
Benefit Group B	50 percent of the premium of the annual base salary or 100 percent of the premium equal to one-half of the annual base salary
Benefit Group C	25 percent of the premium of the annual base salary
Benefit Group D	25 percent of the premium of the annual base salary

7 If the employee does not have sufficient earnings to cover the deduction
8 for premiums, the employee must make alternative payment arrangements that are
9 acceptable to Human Resources.

10 (4) Accidental Death and Dismemberment Insurance. Exempt Group
11 employees may purchase amounts of accidental death and dismemberment insurance
12 coverage for themselves and dependents through payroll deduction. New employees
13 shall become initially eligible to participate in these programs on the first day of the pay
14 period following the first pay period in which the employee works and receives pay for
15 one-half plus one of their regularly scheduled hours. Participation will continue as long
16 as premiums are paid timely. If the employee does not have sufficient earnings to cover
17 the deduction for premiums, the employee must make alternative payment
18 arrangements that are acceptable to Human Resources. The benefits will be provided
19 subject to carrier requirements, and will be administered by Human Resources.

20 (5) Long-Term Disability Insurance. The County will provide Exempt
21 Group employees with long-term disability insurance subject to carrier requirements and
22 approval. The benefit levels for such insurance shall be those approved by the Director
23 of Human Resources and are subject to carrier requirements. Integration of leave
24 balances (e.g., sick, vacation, etc.), either partially or fully, are not allowed in
25 conjunction with long-term disability benefits.

26 (6) Short-Term Disability Insurance. The County will provide an
27 employer paid short-term disability insurance plan for Exempt Group employees. This
28 benefit shall apply to Exempt Group employees in regular positions who are regularly

1 scheduled to work 40 hours or more per pay period. The short-term disability insurance
2 plan benefit coverage shall be governed by the plan document that has been approved
3 and adopted by the Board of Supervisors for Exempt Group employees and is subject to
4 carrier requirements and approval. The short-term disability insurance plan benefit
5 coverage shall include a provision for a seven consecutive calendar day waiting period
6 from the first day of disability before benefits begin. Benefits shall be 55 percent of
7 base salary up to a weekly maximum established by a formula that incorporates the
8 State of California for the State Disability Insurance fund maximum. Benefit payments
9 terminate when the employee is no longer disabled or after receiving 180 days of
10 benefits at which time the employee would be eligible for long-term disability benefits if
11 still medically disabled.

12 (7) Vision Care Insurance. Subject to carrier requirements, the County
13 will pay the premiums for vision care insurance for employees who are in paid status
14 and their eligible dependents.

15 (g) Leave Provisions.

16 (1) Sick Leave. Sick leave with pay is an insurance or protection
17 provided by the County to be granted in circumstances of adversity to promote the
18 health of the individual employee. It is not an earned right to time off from work. SICK
19 LEAVE is defined to mean the authorized absence from duty of an employee because
20 of physical or mental illness, injury, pregnancy, confirmed exposure to a serious
21 contagious disease, for a medical, optical, or dental appointment, for certain purposes
22 related to being a victim of domestic violence, sexual assault or stalking, or other
23 purpose authorized herein.

24 (A) Definition.

25 (I) FAMILY MEMBER. A FAMILY MEMBER, as defined
26 by Labor Code section 245.5, is a parent, child, spouse, registered domestic partner,
27 grandparent, grandchild, or sibling. PARENT means a biological, foster, adoptive, or
28 step parent, a legal guardian, or a person who stood in loco parentis when the

1 employee was a minor child of the employee, or the employee's spouse or registered
2 domestic partner. CHILD means a biological, foster, or adopted child, a stepchild, a
3 legal ward, a child of a domestic partner, or a child to whom the employee stands in
4 loco parentis. DOMESTIC PARTNER is defined by Family Code section 297.

5 (II) EXTENDED FAMILY. EXTENDED FAMILY is
6 defined as, parent/sibling-in-law, aunt, uncle, niece, nephew, or any step relations as
7 defined herein.

8 (B) Accumulation. Employees in regular positions shall accrue
9 sick leave for each payroll period completed, prorated on the basis of 3.69 hours per
10 pay period, except as provided in Subsection 13.0613(g)(14). Earned sick leave shall
11 be available for use the first day following the payroll period in which it is earned.
12 Employees in regular positions paid less than 80 hours per pay period or job-shared
13 positions shall receive sick leave accumulation on a pro rata basis. There shall be no
14 limit on sick leave accumulation.

15 (C) Compensation. Approved sick leave with pay shall be
16 compensated at the employee's base rate of pay. The minimum charge against
17 accumulated sick leave shall be 15 minutes.

18 (D) Administration.

19 (I) Investigation. It shall be the responsibility and duty of
20 each appointing authority to investigate each request for sick leave and to allow sick
21 leave with pay where the application is determined to be proper and fitting, subject to
22 approval of the Director of Human Resources.

23 (II) Notice of Sickness. In 24-hour departments, the
24 appointing authority or designee should be notified at least two hours prior to the start of
25 the employee's scheduled tour of duty of a sickness on the first day of absence and
26 must be notified at least one hour prior to the start of the employee's scheduled tour of
27 duty. In other departments, the appointing authority or designee must be notified within
28 one-half hour after the start of the employee's scheduled tour of duty of a sickness on

1 the first day of absence.

2 It is the responsibility of the employee to keep the appointing
3 authority informed as to continued absence beyond the first day for reasons due to
4 sickness or occupational disability. Failure to make such notification shall result in
5 denial of sick leave with pay. If the employee receives a doctor's off-work order and
6 provides notice of same to the appointing authority, the employee is not required to
7 contact the department daily. If the employee does not have an off-work order or has
8 not notified the appointing authority that one has been issued, the employee shall be
9 required to contact the department daily in accordance with the timeframe above.

10 (III) Review. The Director of Human Resources may
11 review and determine the justification of any request for sick leave with pay and may, in
12 the interest of the County, require information from a doctor to support a claim for sick
13 leave pay.

14 (IV) Proof. A doctor's certificate or other adequate proof
15 shall be provided by the employee in all cases of absence due to illness if requested by
16 the appointing authority. All requests for proof of illness shall be made in compliance
17 with the Labor Code and other law.

18 (V) Improper Use. Evidence substantiating the use of
19 sick leave for willful injury, gross negligence, intemperance, trivial indispositions,
20 instances of misrepresentation, or violation of the rules defined herein will result in
21 denial of sick leave with pay and shall be construed as grounds for disciplinary action up
22 to and including termination.

23 (E) Sick Leave for Other than Personal Illness/Injury.

24 (I) Family Sick Leave. A maximum of one-half of the
25 employee's annual accrual of earned sick leave per calendar year may be used for
26 attendance upon family members who require the attention of the employee. Upon
27 approval of the appointing authority, the employee may use part of this annual
28 allowance for attendance upon members of the employee's extended family residing in

1 the employee's household who require the attention of the employee.

2 (II) Bereavement. A maximum of three days earned sick
3 leave may be used per occurrence for bereavement due to the death of a family
4 member or a member of the employee's extended family, as defined herein, or any
5 relative who resided with the employee.

6 (III) Birth/Adoption. A maximum of 40 hours earned sick
7 leave may be used per occurrence for arrival of an adoptive child at the employee's
8 home. An employee may utilize on an annual basis no more than 40 hours of
9 accumulated sick leave per calendar year for the birth of his or her child.

10 (IV) Medical, Optical or Dental Appointments. The
11 employee may use sick leave for medical, dental or optical appointments; however,
12 every effort should be made to schedule the appointments at a time of day that will
13 minimize the employee's time off work.

14 (F) Return-to-Work Medical Clearance.

15 (I) Under any of the following circumstances, all
16 employees who have been off work due to an illness or injury will report to the San
17 Bernardino County Center for Employee Health and Wellness for a medical evaluation
18 of condition and authorization to return to work before returning to work.

19 (i) Employees whose treating physician or other
20 qualified medical provider has ordered job modification(s) as a condition for either
21 continuing to work or for returning to work after an illness or injury. This applies to both
22 occupational and non-occupational illness or injury.

23 (ii) Employees who have been off work due to
24 communicable diseases such as, but not limited to, chicken pox and measles.

25 (iii) Employees who have been absent on account
26 of serious medical condition, when so directed by appointing authority.

27 (II) Employees are required to attend return-to-work
28 medical appointments at the Center for Employee Health and Wellness on their own

1 time; however, mileage for attending such appointments are eligible for reimbursement
2 pursuant to the expense reimbursement provision, Subsection 13.0613(j).

3 (III) It is the responsibility of the employee to obtain
4 written notice from the medical provider of authorization to return to work with or without
5 job modification. To ensure all necessary and relevant medical information is provided,
6 the County shall make available forms to be completed by the medical provider. It is the
7 responsibility of the employee to provide verbal notice to his or her appointing authority
8 immediately upon receipt of the medical provider's authorization to return to work, and
9 no later than 24 hours after receipt of the notice. The appointing authority or designee
10 will schedule an appropriate medical evaluation for the employee with the Center for
11 Employee Health and Wellness prior to the employee's return to work. The employee
12 shall provide the medical provider's written notice of authorization to return to work to
13 the Center at or prior to the employee's scheduled appointment time.

14 (IV) Exceptions to the above requirements may be made
15 on a case-by- case basis by the Center for Employee Health and Wellness.

16 (V) The employee is obligated to attend the appointment
17 as scheduled under the conditions outlined above. If the employee fails to adhere to the
18 procedure, the employee is required to use sick leave or leave without pay for any work
19 hours missed. If required notice has been provided, and there is a delay between the
20 employee's appointment with the Center and the start of his or her scheduled tour of
21 duty on the day that he or she was released to return to work, the County will pay for
22 work hours missed, without charge to the employee's leave balances.

23 (VI) The final decision on the employee's ability to return
24 to work rests with the medical provider at the Center. In the event the employee is not
25 released to return to work by the medical provider at the Center, the employee's status
26 would continue on sick leave or, where there is no balance, leave without pay.

27 (G) Workers' Compensation. Employees shall receive full salary
28 in lieu of Workers' Compensation benefits and paid sick leave for the first 40 hours

1 following an occupational injury or illness, if authorized off work by order of an accepted
 2 physician under the Workers' Compensation sections of the California Labor Code.
 3 Thereafter, accumulated paid leave may be prorated to supplement such temporary
 4 disability compensation payments, provided that the total amount shall not exceed the
 5 regular gross salary of the employee. Employees eligible for salary continuation
 6 pursuant to Labor Code section 4850 are not entitled to this paid time.

7 (H) Employees covered by Labor Code section 4850 who are
 8 injured in the line of duty are entitled to full salary in lieu of Workers' Compensation
 9 benefits and sick leave for a period not to exceed one year. After the employee has
 10 used one full year of such "4850 time", said employee may use accumulated sick leave
 11 with pay with the approval of the appointing authority to augment temporary disability
 12 payments if said employee is still temporarily disabled by order of an accepted
 13 physician under the Workers' Compensation sections or until said employee is retired.

14 (I) Separation. Unused sick leave shall not be payable upon
 15 separation of the employee, except as provided in the Retirement Medical Trust Fund,
 16 Subsection 13.0613(k)(4) and as provided below.

17 Upon the death of an active employee with five or more years of
 18 continuous service from the most recent date of hire in a regular position, the estate of
 19 the deceased employee will be paid the cash value for the unused sick leave balances
 20 according to the sick leave conversion formula below only up to 1,000 hours, and will
 21 not go into the Trust.

Sick Leave Balance as of Date of Separation for Death	Cash Payment Percent of Hours of Sick Leave Balance
480 hours or less	30 percent
481 to 600 hours	35 percent
601 to 720 hours	40 percent
721 to 840 hours	45 percent
841 to 1,000 hours	50 percent

27 (J) Sick Leave Conversion. While employed by the County,
 28 employees who have contributed to a public sector retirement(s) for over five years and

1 have not withdrawn the contribution from the system(s) may exchange accrued sick
 2 leave hours in excess of 200 hours for vacation time on the following basis:

3 Sick Leave Balance at Time of Conversion	Sick Leave to Vacation Leave Conversion Ratio
4 201 to 599 hours	3 sick hours to 1 hour vacation
5 600 to 799 hours	2.5 sick hours to 1 hour vacation
6 800 or more hours	2 sick hours to 1 hour vacation

7 Any such exchange must be made in ten-hour increments of
 8 accrued sick leave under the procedures established by the Director of Human
 9 Resources. Employees may elect this exchange once per calendar year.

10 (2) Vacation Leave.

11 (A) Definition. VACATION is a right, earned as a condition of
 12 employment, to a leave of absence with pay for the recreation and well-being of the
 13 employee. If an employee has exhausted sick leave, vacation leave may be used for
 14 sick leave purposes upon a special request of the employee and with the approval of
 15 the appointing authority.

16 (B) Accumulation. Employees in regular positions scheduled to
 17 work 80 hours per pay period shall accrue, on a pro-rata basis, vacation leave for
 18 completed pay periods. Such vacation leave shall be available for use on the first day
 19 following the pay period in which it is earned, provided an employee has worked six pay
 20 periods from the employee's hire date. Employees in regular positions paid less than 80
 21 hours per pay period or job shared positions shall receive vacation leave accumulation
 22 on a pro-rata basis.

23 Length of Service from Hire Date	Annual Vacation Allowance
24 Hire date through 8,320 service hours	80 hours
25 Over 8,320 and through 18,720 service hours	120 hours
Over 18,720 service hours	160 hours

26 The maximum vacation leave accrual balance that may be carried
 27 over to a future calendar year shall be 480 hours. However, the maximum vacation
 28 leave accrual balance that may be carried over into a future calendar year for an

1 employee with a balance of more than 480 hours at the end of calendar year 2010 shall
2 be such employee's vacation leave balance at the end of pay period 26 of calendar year
3 2010. Thereafter, the maximum vacation accrual balance for those employees with a
4 balance greater than 480 hours at the end of calendar year 2010 shall be adjusted
5 annually at the end of each calendar year, and shall never be increased. Any vacation
6 leave accrual balance in excess of the employee's maximum leave accrual balance at
7 the end of the calendar year shall be cashed out and paid in accordance with
8 Subsection 13.0613(g)(2)(E)(II).

9 (C) Administration.

10 (I) Vacation periods should be taken annually with the
11 approval of the appointing authority at such time as will not impair the work schedule or
12 efficiency of the department but with consideration given to the well-being of the
13 employee.

14 (II) The minimum charge against accumulated vacation
15 leave shall be 15 minutes. Vacation leave shall be compensated at the employee's
16 base rate of pay, except as otherwise provided in this Plan.

17 (III) When a fixed holiday falls within a vacation period,
18 the holiday time shall not be charged against an employee's earned vacation benefits.

19 (IV) Employees not planning to return to County
20 employment at the expiration of a vacation leave, except those retiring, shall be
21 compensated in a lump sum payment for accrued vacation and shall not be carried on
22 the payroll. Retiring employees may elect to use vacation leave to enhance retirement
23 benefits or be compensated in a lump sum payment for accrued vacation leave.

24 (D) Prior Service. New employees hired into the County in
25 regular positions who have been employed by a public jurisdiction or private sector in a
26 comparable position or a position which has prepared such employees for an
27 assignment to a position in the Exempt Group may receive credit for such previous
28 experience in the former agency(s) in determining their vacation accrual rate. Such

1 determination as to the comparability of previous experience and amount of credit to be
2 granted rests solely with the Director of Human Resources or designee. Requests for
3 prior service credit should be made at the time of hire or as soon as possible thereafter
4 but in no event later than one year from the employee's hire date.

5 (E) Conversion of Vacation Leave to Cash.

6 (I) Elective Conversion. An employee may sell back
7 vacation leave at the base hourly rate of the employee as hereinafter provided, upon
8 approval of the appointing authority. Eligible employees may exercise these options
9 under procedures established by the Director of Human Resources. In lieu of cash, the
10 employee may designate that part or all of the value of vacation leave be contributed to
11 the County's 401(k) Defined Contribution Plan or 457(b) Deferred Compensation Plan.
12 In order to sell back vacation leave prior to termination or retirement, an employee may
13 exercise the following options:

14 Option 1. Future Accruals. An employee must make an
15 irrevocable election during the month of December, specifying the number of hours to
16 be sold back from the next calendar year's vacation leave accrual. Such election must
17 be made in increments of not less than ten hours and may not exceed 160 hours. All
18 designated hours remaining at the end of the pay period 25 will automatically be
19 converted into cash in the last period of the calendar year.

20 Option 2. Existing Accruals. Existing accruals may be
21 cashed out in whole hour increments with a minimum cash out of ten hours and will be
22 subject to a ten percent penalty.

23 (II) Automatic Conversion. At the end of the last pay
24 period of the calendar year, an employee shall automatically have any vacation leave
25 accruals in excess of the employee's maximum vacation leave accrual balance
26 converted to cash. Such automatic vacation leave cash out shall be paid in pay period
27 1 of the next calendar year.

28 (3) Holiday Leave.

1 (A) Fixed Holidays. All employees in regular positions except as
2 modified in Subdivision (i) shall be entitled to the following holidays:

3 January 1

4 Third Monday in January

5 Third Monday in February

6 Last Monday in May

7 July 4

8 First Monday in September

9 Second Monday in October

10 November 11

11 Thanksgiving Day

12 Day after Thanksgiving

13 December 24

14 December 25

15 December 31

16 (B) Floating Holidays. Employees in regular positions shall be
17 entitled to a total of eight hours floating holiday time annually provided that the
18 employee is not on unpaid leave for the entire pay period and is actively on the payroll
19 for the pay period where the floating holiday time is to accrue. Eight hours floating
20 holiday time shall be accrued during the first pay period prior to the third Monday in
21 January.

22 Floating holidays accrued shall be available for use on the first day
23 following the pay period in which they are accrued, with the approval of the appointing
24 authority. Appointing authorities have the right to schedule employees' time off for
25 accrued holidays to meet the needs of the service but with consideration given to the
26 well-being of the employee. Employees in regular positions budgeted less than 80 hours
27 per pay period or job-shared positions shall receive floating holiday accruals on a pro-
28 rata basis.

1 (C) The maximum holiday leave accrual balance that may be
2 carried over to a future calendar year shall be 112 hours. However, the maximum
3 holiday leave accrual balance that may be carried over into a future calendar year for an
4 employee with a balance of more than 112 hours at the end of calendar year 2010 shall
5 be such employee's holiday leave balance at the end of pay period 26 of calendar year
6 2010. Thereafter, the maximum holiday accrual balance for those employees with a
7 balance greater than 112 hours at the end of calendar year 2010 shall be adjusted
8 annually at the end of each calendar year, and shall never be increased. Any holiday
9 leave accrual balance in excess of the employee's maximum holiday leave accrual
10 balance at the end of the calendar year shall be cashed out and paid in accordance with
11 Subsection 13.0613(g)(3)(G)(II).

12 (D) When a fixed holiday falls within a vacation period, the
13 holiday time shall not be charged against an employee's earned vacation benefits.

14 (E) Whenever an employee is required to work on a fixed
15 holiday or the fixed holiday falls on an employee's regularly scheduled day off, the
16 employee shall accrue, on an hour-for-hour basis, up to a total of eight hours floating
17 holiday time.

18 (F) When a fixed holiday falls on a Saturday, the previous Friday
19 will be observed as the fixed holiday except that when the preceding Friday is also a
20 fixed holiday, the preceding Thursday will be observed as the fixed holiday. When a
21 fixed holiday falls on a Sunday, the following Monday will be observed as the fixed
22 holiday except that when the following Monday is also a fixed holiday, the following
23 Tuesday will be observed as the fixed holiday.

24 (G) Conversion of Holiday Leave to Cash.

25 (I) Elective Conversion. An employee may sell back
26 holiday time at the base hourly rate of the employee as hereinafter provided, upon
27 approval of the appointing authority. Eligible employees may exercise this option under
28 procedures established by the Director of Human Resources. In lieu of cash, the

1 employee may designate that part or all of the value of holiday time to be contributed to
2 the County's 401(k) Defined Contribution Plan or 457(b) Deferred Compensation Plan.

3 In order to sell back holiday time prior to termination or
4 retirement, an employee may exercise the following options:

5 Option 1. Future Accruals. An employee must make an
6 irrevocable election during the month of December, specifying the number of hours to
7 be sold back from the next calendar year's holiday time accrual. Such election must be
8 made in increments of not less than eight hours and may not exceed the annual amount
9 to be accrued for the next calendar year. All designated hours remaining at the end of
10 pay period 25 will automatically be converted into cash in the last pay period of the
11 calendar year.

12 Option 2. Existing Accruals. Existing accruals may be
13 cashed out in whole hour increments with a minimum cash out of eight hours and will be
14 subject to a ten percent penalty.

15 (II) Automatic Conversion. At the end of the calendar
16 year, an employee shall automatically have any holiday leave accruals in excess of the
17 employee's maximum holiday leave accrual balance converted to cash. Such automatic
18 holiday leave cash out shall be paid in pay period 1 of the next calendar year.

19 (H) Grandfathered Holiday Time. An employee promoted from
20 the Safety Management and Supervisory Unit to the Exempt group who has any
21 grandfathered holiday time at the time of promotion, will be allowed to retain such
22 grandfathered holiday time. Such time may be used or compensated at the time of
23 retirement or separation under the same terms and conditions as are applicable to
24 Safety Management and Supervisory Unit employees.

25 (4) Special Leaves of Absence Without Pay.

26 (A) General Provisions. A special leave of absence without pay
27 may be granted to an employee who:

28 (I) Is medically incapacitated to perform the duties of the

1 position;

2 (II) Desires to engage in a relevant course of study which
3 will enhance the employee's value to the County;

4 (III) Takes a leave of absence pursuant to the Federal
5 Family Medical Leave Act (FMLA), the California Family Rights Act (CFRA), and/or
6 Pregnancy Disability Leave (PDL) provisions of the Fair Employment and Housing Act
7 (FEHA);

8 (IV) For any reason considered appropriate by the
9 appointing authority and the Director of Human Resources.

10 (B) Exempt Group employees eligible to receive the automobile
11 allowance, portable communication device allowance, bilingual compensation, or
12 special assignment compensation will have these benefits suspended while on unpaid
13 leave and upon exhausting short-term disability insurance benefits. These benefits will
14 cease the day following the end of the individual's short-term disability insurance
15 benefits. Employees off work without pay for disciplinary reasons shall not receive the
16 above listed benefits until they return to full time status.

17 (C) Type of Leave of Absences. There are four types of leaves
18 of absences. All requests must be in writing and require the approval of the appointing
19 authority or designee and the Director of Human Resources or designee. Upon
20 request, the appointing authority or designee and the Director of Human Resources or
21 designee may grant successive leaves of absence. All benefits shall be administered in
22 accordance with the appropriate section of this code.

23 (I) Leave of Absence with Right to Return. Leaves of
24 absence with right to return may be granted to employees in regular positions for a
25 period not exceeding one year. The employee remains in his or her position.

26 (II) Family Leave. Leaves of absence will be granted in
27 accordance with the FMLA, the CFRA, and/or the PDL provisions of FEHA. This leave
28 can be concurrent with use of paid leave or leave of absence without pay with right to

1 return.

2 An employee on an approved leave of absence without pay
3 under this provision will continue to receive the benefits outlined in Subsection
4 13.0613(k)(1)(B)(III) for a period of six pay periods. Certification from a health care
5 provider is required for all instances of medical leave under this provision. Employees
6 are required to inform supervisors of the need for leave at least 30 days before
7 commencement where possible.

8 In instances where the leave is for the birth or placement of
9 a child and both husband and wife are County employees, both employees are limited
10 to a total of 12 weeks between them.

11 (III) Leave of Absence without Right to Return.

12 (i) Definition. Leaves of absence without right to
13 return may be granted to employees with regular status for a period not exceeding one
14 year. Employees without right to return shall be removed from their position.
15 Retirement contributions shall remain in the system and cannot be requested for
16 distribution until the expiration of the leave. The employee shall be eligible to purchase
17 medical benefits pursuant to federal Consolidated Omnibus Reconciliation Act of 1985
18 (COBRA).

19 (ii) Return Process. An employee may return to
20 the same department in the classification from which the employee took the leave of
21 absence with the approval of the appointing authority and the Director of Human
22 Resources. Alternatively, the employee may apply through Human Resources by the
23 last day of the leave of absence. The employee will be placed on the eligible list for the
24 classification from which he or she took the leave of absence without examination.
25 Placement on the eligible list will be administered in accordance with the requalification
26 provisions of the Personnel Rules. If the employee does not return to a regular position
27 within 90 calendar days of the expiration of such a leave the employee shall be
28 terminated from County service. If reemployed, the employee shall be required to serve

1 a new probationary period. The Director of Human Resources or designee has the
2 discretion to waive the requirement to serve a new probationary period.

3 (iii) Benefits Upon Return. An employee who
4 returns to a regular position within 90 days after the expiration of the leave of absence
5 without right to return shall retain his or her hire date for purposes of leave accruals and
6 step advances; except that the employee will not receive service credit for the period of
7 time the employee is on the leave of absence without right to return. To be reemployed
8 and retain the above benefits, the employee must be appointed to a position no later
9 than 90 calendar days after the date of expiration of the leave of absence. The 90 days
10 shall run concurrently with the first 90 days of the one-year period provided in the
11 reemployment subdivision.

12 (IV) Long-Term Medical Leave of Absence.

13 (i) Definition. An employee with regular status
14 who suffers from a serious condition may be placed on a medical leave of absence for
15 up to one year, only after FMLA, CFRA and/or PDL have been exhausted. However, if
16 an employee meets the service requirements for eligibility for a disability retirement, the
17 long-term medical leave of absence may be extended. The employee is responsible for
18 providing documentation from a qualified health practitioner prior to approval. The
19 County retains the right to request medical documentation regarding the employee's
20 continued incapacity to return to work.

21 The employee will be removed from his or her
22 position so that the department may fill behind the employee. Retirement contributions
23 shall remain in the system and cannot be requested for distribution until the expiration of
24 the leave. The employee shall be eligible to purchase benefits pursuant to the federal
25 Consolidated Omnibus Reconciliation Act of 1985 (COBRA).

26 Upon the employee's ability to return to work or the
27 expiration of the leave of absence, whichever comes first, the employee will have the
28 right to return to the classification within the department from which he or she took a

1 leave of absence when a funded vacancy for which the employee meets the
2 qualifications is available. If the employee does not return to work by the expiration
3 date of the leave, or the soonest date after that for which the department has a vacancy
4 (but in no event later than 90 days following the expiration of the medical leave of
5 absence), the employee relinquishes the right to return.

6 (ii) Upon return from a medical leave of absence,
7 the employee shall retain hire date for purposes of leave accruals and step advances;
8 except that the employee will not receive service credit for the period of time the
9 employee is on the medical leave of absence.

10 (5) Medical Emergency Leave. The particulars of the Medical
11 Emergency Leave policy are as follows:

12 (A) The employee must have regular status with the County or
13 one year of continuous service in a regular position with the County.

14 (B) The employee must meet all of the following criteria before
15 he or she becomes eligible for Medical Emergency Leave donation: (1) be on an
16 approved medical leave of absence for at least 30 calendar days (160 working hours)
17 exclusive of an absence due to a work related injury/illness; (2) submit a doctor's off
18 work order verifying the medical requirement to be off work for a minimum of 30
19 calendar days (160 working hours); (3) have exhausted all useable leave balances prior
20 to initial eligibility for Medical Emergency Leave donations—subsequent accruals will
21 not affect eligibility; and (4) have also recorded at least 40 hours of sick leave without
22 pay during the current period of disability.

23 (C) An employee is not eligible for Medical Emergency Leave if
24 he or she is receiving Workers' Compensation wage replacement (e.g., Coding TTD,
25 etc.). An employee eligible for State Disability Insurance and/or short-term disability
26 must agree to integrate these benefits with Medical Emergency Leave.

27 (D) Vacation, holiday, administrative leave or annual leave, as
28 well as compensatory time, may be donated by employees only on a voluntary and

1 confidential basis, in increments of eight hours (or in the case of holiday leave four
2 hours) not to exceed a total of 50 percent of a donor's annual vacation, holiday,
3 administrative leave, annual leave or compensatory time accrual per employee. The
4 donation may be made for a specific employee on the time frames established by the
5 Human Resources Department. The employee (donee) using/coding the Medical
6 Emergency Leave will be taxed accordingly.

7 (E) The donation is to be utilized for the employee's Medical
8 Emergency Leave only; the donation to one employee is limited to a total of 1,040 hours
9 per fiscal year. The maximum of 1,040 hours shall be prorated for those scheduled less
10 than 40 hours per week. Example: An employee who is regularly scheduled 20 hours
11 per week is eligible for a maximum donation of 520 hours of Medical Emergency Leave.

12 (F) Medical emergency leave shall be administered in
13 accordance with procedures approved by Human Resources.

14 (6) Compulsory Leave. If, in the opinion of the appointing authority,
15 employees are unable to perform the duties of their position for physical or
16 psychological reasons, they may be removed from duty without pay or may use
17 appropriate accrued paid leave for which they are eligible. In addition, such employees
18 may be required to submit to an examination by either a physician or other competent
19 authority designated by the Director of Human Resources or by their own physician or
20 practitioner, as appropriate. If the examination report of the competent authority (e.g.,
21 physician, appropriate practitioner) shows the employee to be in an unfit condition to
22 perform the duties required of the position, the appointing authority shall have the right
23 to compel such employee to take sufficient leave of absence with or without pay, to
24 transfer to another position without reduction in compensation, and/or follow a
25 prescribed treatment regimen until medically qualified to return to unrestricted duty. An
26 employee who has been removed from duty for physical or psychological reasons by
27 the appointing authority, and was required to submit to an examination, may not return
28 to duty until such time as medical clearance has been obtained.

1 Employees shall be required to meet all qualifications for employment
2 (e.g., licensure, certification, etc.). Employees who become disqualified to perform the
3 duties of their position (e.g., fail to maintain required licenses) shall be immediately
4 removed from duty without pay unless permitted to use appropriate accrued paid leave
5 for which they are eligible and may be subject to appropriate disciplinary action.

6 (7) Military Leave. As provided in the California Military and Veterans
7 Code section 395 et seq., and any amendment thereto, and the Federal Uniformed
8 Services Employment and Reemployment Rights Act of 1994, a County employee,
9 regular, extra-help, per diem, or recurrent may be entitled to the following rights
10 concerning military leave:

11 (A) Definition. MILITARY LEAVE is defined as the performance
12 of duty on a voluntary or involuntary basis in a uniformed service under competent
13 authority and includes active duty, active duty for training, initial active duty for training
14 (weekend drills), full-time National Guard duty, and a period for which an employee is
15 absent for the purpose of an examination to determine the fitness of the person to
16 perform any such duty.

17 (B) Notice and Orders. All employees shall provide advance
18 notice of military service unless military necessity prevents the giving of notice or the
19 giving of notice is impossible or unreasonable. Where available, copy of military orders
20 must accompany the request for leave.

21 (C) Temporary Active Duty. Any employee who is a member of
22 the reserve corps of the Armed Forces, National Guard, or Naval Militia shall be entitled
23 to temporary military leave of absence for the purpose of active military training,
24 encampment, naval cruises, special exercises or like activities provided that the period
25 of ordered duty does not exceed 180 calendar days, including time involved in going to
26 and returning from such duty. While on paid status, an employee on temporary military
27 leave shall receive the same vacation, holiday, and sick leave, step advances, and
28 benefits that would have been enjoyed had the employee not been absent, providing

1 such employee has been employed by the County for at least one year immediately
2 prior to the date such leave begins. In determining the one-year employment
3 requirement, all time spent in recognized military service, active or temporary, shall be
4 counted. An exception to the above is that an uncompleted probationary period must
5 be completed upon return to the job. Any employee meeting the above one-year
6 employment requirement shall be entitled to receive his or her regular salary or
7 compensation, pursuant to Subsection 13.0613(g)(7)(E).

8 (D) Full-Time Active Duty. Employees who resign from positions
9 to serve in the Armed Forces for more than 180 days, shall have a right to return to
10 former classification upon serving written notice to the appointing authority, no later than
11 90 days after completion of such service. Returning employees are subject to a
12 physical/psychological examination. Should such employee's former classification have
13 been abolished, then the employee shall be entitled to a classification of comparable
14 functions, duties, and compensation if such classification exists, or to a comparable
15 vacant position for which the employee is qualified.

16 The right to return to former classification shall include the right to
17 be restored to such civil service status as the employee would have if the employee had
18 not so resigned; and no other person shall acquire civil service status in the same
19 position so as to deprive such employee of this right to restoration.

20 Eligible employees are also entitled to the reemployment and
21 benefit rights as further described in the Uniformed Services Employment and
22 Reemployment Rights Act, 38 U.S.C. sections 4301 to 4333. Specifically, a returning
23 employee will receive restoration of original hire and benefit date, salary step, vacation
24 accrual rate, sick leave balance (unless the employee has received payment for unused
25 sick leave in accordance with provisions contained herein), the retirement plan
26 contribution rate, and retirement system contributions (provided the employee complies
27 with any requirements established by the Retirement Board). However, such employee
28 will not have accrued vacation, sick leave, or other benefit while absent from County

1 employment, except as provided in the temporary duty provision.

2 (E) Compensation. This provision does not include an
3 employee's attendance for inactive duty, commonly referred to as weekend reserve
4 meetings, muster duty, or drills. Employees must use their own time to attend such
5 meetings. Should the meetings unavoidably conflict with an employee's regular working
6 hours, the employee is required to use vacation or holiday leave, leave without pay, or
7 make up the time. Employees who are called in for a medical examination to determine
8 physical fitness for military duty must also use vacation leave, leave without pay, or
9 make up the time. Employees cannot be required to use their accrued leave. Any
10 employee meeting the requirements in (C) and (D) shall be entitled to receive their
11 regular salary or compensation for the first 30 calendar days of any such leave. Pay for
12 such purposes shall not exceed 30 days in any one fiscal year and shall be paid only for
13 the employee's regularly scheduled workdays that fall within the 30 calendar days.

14 (F) Extension of Benefits. The County recognizes the increased
15 requirements of the military due to the current threats facing the United States of
16 America and, as such, has established a program under which employees may be
17 eligible for an extension of benefits. Employees who are called to active duty as a result
18 of the activation of military reservists beginning in September 2001, and who are eligible
19 to receive the 30 calendar day military leave compensation, and meet the requirements
20 established by the Board shall receive the difference between their base County salary
21 and their military salary starting on the thirty-first calendar day of military leave. The
22 difference in salary shall continue for the period approved by the Board of Supervisors.
23 During this period, the County will continue to provide the employee the benefits and all
24 leave accruals as were provided prior to such active duty. Retirement contributions and
25 service credit will be granted if the employee had enough pay to cover the entire
26 retirement system contribution. If the employee does not receive enough pay to cover
27 the retirement system contribution, no contribution or credit will be given. Employees
28 should note that the accidental death and dismemberment (AD&D) plan contains a war

1 exclusion.

2 If the employee becomes eligible for full County payment for the
3 first thirty days of military leave provided in (C) of this subsection, the extended
4 payments provided under this section shall be suspended and shall be continued after
5 the 30 days compensation has been completed. No compensation shall be paid
6 beyond the thirty day leave period, unless such compensation is expressly approved by
7 the Board of Supervisors. The County may unilaterally extend the benefits of this
8 subsection upon the approval of the Board of Supervisors.

9 (8) Political Leave. Any employee who is a declared candidate for
10 public office (i.e., a candidate who has filed the appropriate documents) shall have the
11 right to a leave of absence without pay with or without right to return for a reasonable
12 period to campaign for the election. Such leave is subject to the conditions governing
13 special leaves of absence without pay contained herein.

14 (9) Jury Duty Leave. Employees in regular positions who are
15 ordered/summoned to serve jury duty including Federal Grand Jury duty shall be
16 entitled to base pay for those hours of absence from work, provided the employee
17 waives fees for service, other than mileage. Such employees will further be required to
18 deliver a "Jury Duty Certification" form at the end of the required jury duty to verify such
19 service. When practicable, the appointing authority will convert an employee's regular
20 tour of duty to a day shift tour of duty during the period of jury duty. Employees required
21 to serve on a jury must report to work before and after jury duty provided there is an
22 opportunity for at least one hour of actual work time. Employees volunteering to serve
23 on a Grand Jury shall be granted a leave of absence without pay to perform the duties
24 of a member of the Grand Jury, in the same manner as provided in Subsection
25 13.0613(g)(4).

26 (10) Examination Time. Employees having regular status in regular
27 positions at the time of application, or employees who do not have regular status but
28 have previously held regular status and continuously remained a County employee,

1 shall be entitled to a reasonable amount of time off with pay for the purpose of attending
2 all examination processes (e.g., selection interviews, etc.) required for selection to a
3 different County position. Employees are responsible for notifying and obtaining
4 approval from their immediate supervisor prior to taking such leave. Examination time
5 off shall not be charged against any accumulated leave balances and shall be
6 compensated at the employee's base hourly rate.

7 (11) Witness Leave. Employees in regular positions shall be entitled to
8 a leave of absence from work when subpoenaed to testify as a witness, such subpoena
9 being properly issued by a court, agency, or commission legally empowered to
10 subpoena witnesses. This benefit shall not apply in any case in which the subpoenaed
11 employee is a party to the action or the subpoena has arisen out of the employee's
12 scope of employment. Witness leave shall not be charged against any accumulated
13 leave balances and shall be compensated at the employee's base hourly rate. This
14 benefit will be paid only if the employee has demanded witness fees at the time of
15 service of the subpoena, and such fees are turned over to the County.

16 (12) Blood Donations. Employees in regular positions who donate blood
17 without receiving compensation for such donation, may have up to two hours off with
18 pay to recover with prior approval of the immediate supervisor for each such donation.
19 This benefit shall not be charged to any accumulated leave; provided, however, if the
20 employee is unable to work, any time in excess of two hours may be charged to
21 accumulated sick leave or be taken as leave without pay. Evidence of each donation
22 must be presented to the appointing authority to receive this benefit.

23 Employees in regular positions who are apheresis donors may have up to
24 four hours off with pay to recover with prior approval of the immediate supervisor for
25 each such donation, provided no compensation is received for such donation. This
26 benefit shall not be charged to any accumulated leave; provided, however, if the
27 employee is unable to work any time in excess of four hours may be charged to
28 accumulated sick leave or be taken as leave without pay. Evidence of each apheresis

1 donation must be presented to the appointing authority to receive this benefit.

2 (13) Bereavement Leave. Employees in regular positions may use up to
3 two days paid leave, not charged to the employee's personal leave balances, per
4 occurrence for bereavement due to the death of an employee's family member as
5 defined in Subsection 13.0613(g)(1)(A)(I). One additional day shall be granted if the
6 employee travels over 1,000 miles from his or her residence to the bereavement
7 service(s). This additional day shall not be charged to the employee's personal leave
8 balances. The appointing authority may request verification of distance traveled.

9 (14) Leave Accruals While on Disability Leave. Employees receiving
10 the benefits of workers' compensation or short-term disability leave receive partial
11 replacement of their income through these benefits. Employees on these types of
12 disability leaves may choose to fully integrate, partially integrate, or not integrate
13 personal leave time with these disability payments.

14 The maximum amount the employee receives from integrating leave time
15 with disability payments shall not exceed 100 percent of the employee's base salary.
16 Paid personal leave time coded on the employee's time and labor report will be limited
17 to the amount of leave necessary to integrate benefits to the level designated by the
18 employee. When the exact amount is not known, a good faith estimate may be made
19 and the amount will be adjusted later as necessary. If any overpayments are made, the
20 employee will be required to repay that amount. An employee who knowingly receives
21 payment in excess of his or her regular base salary is required to report it to his or her
22 Departmental payroll clerk.

23 Employees who are fully integrating accrued leave time with disability
24 benefits and shall be eligible to receive full accruals of vacation and sick leave.
25 Employees who are not fully integrating shall earn pro-rated vacation and sick leave
26 accruals based upon paid leave time coded on the time and labor report only.

27 Employees who are fully integrating paid leave time with disability
28 benefit(s) will be eligible for fixed holiday pay provided that they are on the payroll for

1 the entire pay period and have no unapproved leave for the pay period. Employees
2 who are partially integrating or not integrating paid leave time with disability benefits will
3 be paid for holidays in accordance with the holiday leave provisions in Subsection
4 13.0613(g)(3).

5 (h) Relocation. Employees who are required by order of their appointing
6 authority to change their principal place of residence because of a reassignment to
7 meet the needs of the service or because of layoff will be granted time off with pay not
8 to exceed two work days and up to \$400.00 reimbursement toward the actual cost of
9 relocating their personal furnishings and belongings.

10 (i) Special Assignment Compensation. Increases in pay may be granted to
11 recognize the temporary assignment of additional responsibilities that are significant in
12 nature and beyond the normal scope of the position. No award shall be made in any
13 situation related to a vacation, short-term illness or other relief which is six weeks or
14 less. The duration of such assignments is not intended to exceed one calendar year
15 except in unusual circumstance approved by both the appointing authority and the
16 Director of Human Resources. Employees will normally not be in a probationary status.
17 The employee shall be required to meet standards for satisfactory performance.

18 Compensation shall be awarded in pay period increments, and shall be in the
19 form of a specified percentage of the employee's base pay. The Director of Human
20 Resources will determine the amount in increments of one-half percent from a minimum
21 of two and one-half percent up to a maximum of seven and one-half percent. The
22 additional compensation will be computed at the specified percentage of the current
23 base pay of the employee for each pay period. Such increases in pay shall not affect
24 an employee's step advancement in the base range pursuant to the salary rates and
25 step advancements subdivision.

26 Requests for special assignment compensation may be initiated by the
27 appointing authority or an employee via the appointing authority. The appointing
28 authority and the employee bear mutual responsibility for initiating the compensation

1 request in a timely manner and adhering to the compensation provisions defined in this
2 provision. It is important to obtain Human Resources Department review of the request
3 in advance of the date the employee begins the assignment, since there is no
4 guarantee the request will be approved. Special assignment compensation is to be
5 effective only with the Director of Human Resources written approval, assignment of the
6 greater level of duties, and signed acceptance by the employee.

7 This provision shall not be utilized to circumvent or provide additional
8 compensation over and above that which may be provided in the subsection on
9 assignment to vacant higher position and the Personnel Rules. These aforementioned
10 provisions are mutually exclusive concepts and as such there shall be no dual or
11 multiple requests based on the same facts.

12 (j) Expenses Incurred in Conducting County Business and Expense
13 Reimbursement.

14 (1) General Provisions. Employees in the Exempt Group shall be
15 reimbursed for all expenses incurred in connection with the conduct of County business,
16 including, but not limited to: travel, lodging, meals, laundering, gratuities, and other
17 related costs. Payment for actual expenses is subject to the approval of the appointing
18 authority. The Chief Executive Officer, Assistant Executive Officers, and County officers
19 with department head status may incur necessary County expenses involved with
20 activities and functions of their departments and arrange for the County to be billed
21 directly for such expenses.

22 The purpose of this subdivision is to define the policy and procedures by
23 which employees shall report and be reimbursed for necessary expenses incurred on
24 behalf of San Bernardino County, except as may be otherwise provided in this code.

25 (2) Responsibilities. It shall be the responsibility of each appointing
26 authority or designee to investigate and approve each request for expense
27 reimbursement. It shall be the responsibility of each employee to obtain prior approval
28 from the appropriate appointing authority or designee to incur a business expense or to

1 exceed maximum allowable amounts provided in Section (7) below.

2 Prior approval may be in the form of standing orders issued by the
3 appointing authority. Failure to obtain prior approval may result in denial of any
4 expense claim (or excess amount) not pre-approved.

5 (3) Travel Authorization.

6 (A) Travel outside the State of California must be approved by
7 the Chief Executive Officer or designee. Requests for such travel shall be submitted to
8 the County Administrative Office on a travel request form.

9 (B) The appointing authority or designee shall initiate travel
10 requests. The Chief Executive Officer and Auditor-Controller/Treasurer/Tax Collector
11 shall be notified in writing of all such designees.

12 (C) The appointing authority or designee is authorized to
13 approve necessary travel within the State of California and use of transportation mode
14 consistent with this subdivision.

15 (4) Authorization for Attendance at Meetings.

16 (A) Appointing authorities may authorize attendance at meetings
17 at County expense when the program material is directly related to an important phase
18 of County service and holds promise of benefit to the County as a result of such
19 attendance.

20 (B) Authorization for attendance at meetings without expense
21 reimbursement, but on County time, may be granted when the employee is engaged on
22 the County's behalf, but from which the gain will inure principally to the benefit of the
23 employee and only incidentally to the County.

24 (5) Records and Reimbursements.

25 (A) Requests for expense reimbursements should be submitted
26 once each month and within one year of the date that the expense was incurred.

27 (B) Receipts or vouchers which verify the claimed expenditures
28 will be required for all items of expense, except:

1 (I) Subsistence, except as otherwise provided in this
2 subdivision;

3 (II) Private mileage (e.g., mileage to the airport);

4 (III) Telephone or other communication-related charges
5 including Wi-Fi and internet access fees if needed to conduct County business;

6 (IV) Other authorized expenses of less than \$1.00.

7 (C) Claims for expense reimbursement totaling less than \$1.00
8 in any fiscal year shall not be paid.

9 (D) Reimbursement shall not be made for any personal
10 expenses such as, but not limited to: entertainment, barbering, personal grooming,
11 alcoholic beverages, etc.

12 (E) Except as otherwise provided in this subdivision, expense
13 reimbursements shall be made on an actual cost basis.

14 (F) If the receipt is unavailable, the employee may submit a
15 signed statement with an explanation of expenses (i.e., itemized list of expenses with
16 location, date, dollar amount, and reason for expenses) and an explanation as to why
17 the receipt is unavailable.

18 (G) Expense reimbursements may be made via electronic fund
19 transfer into the financial institution of the employee's choice or by pay card.
20 Employees who fail to make arrangements for direct deposit shall receive
21 reimbursements via pay card.

22 (6) Transportation Modes.

23 (A) The general rule for selection of a mode of transportation is
24 that mode which represents the lowest expense to the County. Where an employee is
25 given the choice between several means of travel (e.g., use of County vehicle vs. own
26 personal vehicle, flying vs. driving, etc.) and the employee chooses the option that is
27 more costly, the employee shall only be reimbursed for the lesser cost option. For
28 example, if an employee chooses to drive his or her own vehicle when offered a County

1 vehicle, the employee shall not be entitled to any reimbursement. Similarly, if the cost
2 of flying on an airplane is less than the cost of driving, the employee shall only be
3 reimbursed for the amount the County would have paid for the flight.

4 (B) Travel via Private Automobile.

5 (I) Reimbursement for use of privately-owned
6 automobiles to conduct County business shall be at the IRS allowable rate.
7 Reimbursement at this rate shall be considered as full and complete payment for actual
8 necessary expenses for the use of the private automobile, insurance, maintenance and
9 all other transportation related costs. The County does not provide any insurance for
10 private automobiles used on County business. The owner of an automobile is
11 responsible for the personal liability and property damage insurance when the vehicle is
12 used on County business.

13 (II) When employees, traveling on official County
14 business, leave directly from their principal place of residence rather than from their
15 assigned work location, mileage allowed to the first work contact point shall be the
16 difference between the distance from the residence to the assigned work location and
17 the distance from the residence to the first work contact point. If the first work contact
18 point is closer than the assigned work location, no mileage shall be allowed. If the
19 employee departs from the last work contact point directly to the residence, the same
20 principle governs.

21 (III) Employees may have multiple assigned work
22 locations. Mileage allowed is based on the assigned work location for that day. When
23 employees have more than one assigned work location in a standard tour of duty,
24 mileage shall be allowed between assigned work locations. In no case will mileage be
25 allowed between the employee's residence and the assigned work location.

26 (C) Travel via Air.

27 (I) Commercial Aircraft. When commercial aircraft
28 transportation is approved, the "cost of public carrier" shall mean the cost of air coach

1 class rate including tax and security surcharges. Travel via charter aircraft shall be
2 limited to emergencies, or when other types of transportation are impractical or more
3 expensive. Specific prior approval for travel via charter aircraft must be obtained from
4 the Chief Executive Officer or designee.

5 (II) Private Aircraft. When private aircraft transportation
6 is approved by the Chief Executive Officer or designee, reimbursement will be as
7 follows:

8 (i) Reimbursement for use of aircraft owned or
9 rented and flown by County personnel will be for equivalent road miles at the first mile
10 rate of the current private automobile use reimbursement schedule. Landing or tie-
11 down fees will be reimbursed similar to auto parking charges.

12 (ii) Reimbursement for trips to and from the
13 following destinations will be limited to the cost of public carrier except when justified by
14 unusual circumstances as determined by the Chief Executive Officer or designee:
15 Sacramento, San Francisco, Oakland and San Jose.

16 (iii) Authorized charter flights with a licensed
17 charter service providing the aircraft and pilot will be reimbursed at actual cost. Charter
18 flights must be individually approved by the Chief Executive Officer or designee prior to
19 departure.

20 (iv) The employee or owner of the aircraft must
21 maintain on file, with the County's Risk Management Department, a current policy for
22 aviation comprehensive general liability insurance, which includes the County as an
23 additional insured and covers all operations performed by or on behalf of the employee
24 or owner of the aircraft for bodily injury and property damage with a combined single
25 limit of not less than \$1,000,000.00, per occurrence and \$2,000,000.00, general
26 aggregate.

27 (D) Travel via Rental Vehicles. Reimbursement will be provided
28 for the cost of a rental vehicle used for business purposes if such use is approved by

1 the appointing authority. Rental vehicles are covered for liability and vehicle physical
2 damage under the County's self-insurance program. Reimbursement will not be
3 provided for the additional costs incurred if any employee purchased any additional
4 insurance or signs a collision damage waiver (CDW) when renting a vehicle for County
5 business. Requests for reimbursement for gasoline for rental vehicles must be
6 accompanied by a copy of the rental agreement or rental receipt and gasoline receipt.

7 (E) Travel via Ride-Share Service, Taxi, or Public/Mass Transit.
8 Reimbursement will be provided for the cost of using a ride-share service, (e.g., Uber or
9 Lyft), taxi, or public/mass transit (e.g., bus, streetcar, and ferry) if such expenses are
10 incurred for County business and approved by the appointing authority.

11 (F) Incidental Travel Expenses. Reimbursement will be
12 provided for the cost of incidental travel expenses such as bridge tolls, road tolls and
13 parking fees if such expenses are incurred as part of County business and approved by
14 the appointing authority. Valet parking will not be reimbursed unless self-parking is not
15 available or security is a concern.

16 (7) Subsistence.

17 (A) Subsistence allowances for lodging and meals shall not be
18 allowed without prior approval of the appointing authority or designee as necessary for
19 the purpose of conducting County business. Meal and lodging selections should
20 represent a reasonable cost to the County and be generally consistent with the rates
21 established by the General Services Administration (GSA). Excess charges greater
22 than the allowances listed below in Subdivisions (B) and (C) may be authorized under
23 special conditions, such as a convention or conference requirement (e.g., lodging at the
24 hotel where the conference is held) or if County business requires lodging and meals in
25 an area of unusually high cost (i.e., Non-Standard Areas as established by the GSA).
26 Employees may be reimbursed for expenses in high cost areas for the actual cost
27 incurred, but generally not to exceed the per diem amounts established by the GSA for
28 that area and month. Receipts are mandatory to obtain reimbursement for all lodging

1 expenses, and except as provided below, for all meal expenses claimed.

2 (B) An employee may be reimbursed for lodging expenses at
3 actual cost, generally not to exceed the standard lodging per diem rate as established
4 by the GSA, except as otherwise provided in Subdivision (A) above.

5 (C) Except as otherwise provided in Subdivision (A) above,
6 reimbursements for meal expenses for up to three separate meals per day may be
7 provided as follows:

8 (I) With receipts. An employee may be reimbursed for
9 meal expense at actual cost not to exceed eleven dollars (\$11.00) for breakfast; fifteen
10 dollars (\$15.00) for lunch; and twenty-four dollars (\$24.00) for dinner, all plus tax and up
11 to 15 percent gratuity.

12 (II) Without receipts. An employee may be reimbursed for
13 meal expense at per diem rates not to exceed six dollars (\$6.00) for breakfast; nine
14 dollars (\$9.00) for lunch; and nineteen dollars (\$19.00) for dinner, all plus tax and up to
15 15 percent gratuity.

16 (D) Where the cost of a meal is included as part of a registration
17 charge for an event (e.g., continental breakfast at a conference or training seminar) or in
18 the cost of lodging, an employee may not claim reimbursement for that meal.

19 (8) Expense Advances. Advancement of funds for business expenses
20 can be obtained from the Auditor-Controller/Treasurer/Tax Collector's Office through
21 submission of the appropriate form. Advancements shall not exceed the per diem
22 allowances set forth herein. The minimum amount to be advanced is \$50.00.

23 (9) County Credit Cards. The appointing authority may issue a County
24 credit card to an employee and require business expenses be paid for with said card. If
25 unauthorized charges are placed on the card, the employee shall be required to
26 reimburse the County.

27 (k) Medical Insurance and Retirement System Contributions.

28 (1) Medical Insurance Contributions.

1 (A) Section 125 Premium Conversion Plan.

2 (I) Eligible employees shall be provided with a Section
3 125 premium conversion plan. The purpose of the plan is to provide employees a
4 choice between paying premiums with either pre-tax salary reductions or after-tax
5 payroll deductions for medical insurance, dental insurance, vision insurance, voluntary
6 life (to the Internal Revenue Service (IRS) specified limit) and accidental death and
7 dismemberment insurance premiums currently maintained for Exempt Group
8 employees or any other programs(s). The amount of the pre-tax salary reduction or
9 after-tax payroll deduction must be equal to the required insurance premium.

10 (II) Medical and dental coverage elections shall not
11 reduce earnable compensation for purposes of calculating benefits or contributions for
12 the SBCERA.

13 (III) To be eligible for the Section 125 premium conversion
14 plan, an employee must be eligible to participate in medical, dental, vision, AD&D,
15 and/or life insurance and have a premium deduction for these benefit plans.

16 (IV) Election of pre-tax salary reductions and after-tax
17 payroll deductions shall be made within 60 days of the initial eligibility period in a
18 manner and on such forms designated by Human Resources. Failure to timely submit
19 appropriate paperwork will result in after-tax payroll deductions for all eligible premiums
20 for the remainder of the plan year.

21 (V) Once a salary reduction has begun, in no event will
22 changes in elections be permitted during the plan year except to the extent permitted
23 under IRS rulings and regulations, and consistent with the County's Section 125 plan
24 document. The employee must submit request for a change due to a mid-year
25 qualifying event within 60 days of the qualifying event.

26 (B) Medical and Dental Subsidies.

27 (I) The County has established a medical premium
28 subsidy (MPS) to offset the cost of medical and dental plan premiums charged to

1 eligible employees. The MPS shall be applied first to medical plan premiums and then
 2 to dental plan premiums. The applicable MPS amount shall be paid directly to the
 3 providers of the County-sponsored medical and dental plans in which the eligible
 4 employee has enrolled. In no case, shall the MPS exceed the total cost of the medical
 5 and dental insurance premium for the coverage selected.

6 Effective 7/20/19 the following MPS amounts apply:

Coverage Type	Scheduled for 40 to 60 Hours	Scheduled for 61 to 80 Hours
Employee Only	\$121.67	\$243.33
Employee + 1	\$189.52	\$379.03

28 (II) The County has established a dental premium

1 subsidy (DPS) for all employees who are enrolled in both County-sponsored medical
2 and dental coverage whose premium costs for medical and dental exceeds the MPS.
3 The amount of the DPS shall be up to \$9.46, but not to exceed the combined total of the
4 employee's out-of-pocket premium expenses. For example, an employee who selects
5 "employee only" coverage for medical and dental with a combined per pay period
6 premium cost of \$250.79 and receives a per pay period MPS of \$243.33 will receive a
7 DPS in the amount of \$7.46 per pay period.

8 (III) Eligibility for MPS and DPS While on Leave.

9 (i) FMLA/CFRA. Employees who are on
10 approved leave, pursuant to FMLA/CFRA law and whose paid hours in a pay period are
11 less than the required number of hours designated in Subsection 13.0613(f)(1) above
12 will continue to be enrolled in a County-sponsored medical plan and receive MPS and
13 DPS in accordance with applicable law.

14 (ii) Pregnancy Disability Leave (PDL). An
15 employee on an approved pregnancy disability leave is eligible for continuation of MPS
16 and DPS in accordance with PDL, Government Code section 12945.

17 (iii) Workers' Compensation. Employees who are
18 on an approved leave based on an approved workers' compensation claim shall
19 continue to receive the MPS and DPS for up to a total of 20 pay periods while off work
20 due to that work injury as long as the employee pays his or her portion of the premiums
21 on time. If any subsequent workers' compensation claims occur during the initial 20 pay
22 periods, the remaining MPS eligibility from the original claim shall run concurrent with
23 any additional approved workers' compensation claims that occur during the initial
24 claim. For example, if the employee is receiving the MPS and DPS for 20 pay periods
25 for an injury and after ten pay periods another workers' compensation claim is approved
26 and the employee is eligible to receive the MPS and DPS for an additional 20 pay
27 periods, ten pay periods will run concurrent with the initial claim, for a total of 30 pay
28 periods. Employees who are still on workers' compensation after the expiration of the

1 initial 20 pay periods shall continue to receive MPS and DPS provided the employee is
2 fully integrating appropriate paid leave time.

3 (iv) Short Term Disability. Employees who are fully
4 integrating paid leave time with short-term disability (STD) insurance provided by the
5 County or State Disability Insurance (SDI) shall continue to receive the MPS and DPS.

6 (v) Per Episode of Illness or Injury. Employees
7 who are on an approved medical leave of absence and whose paid hours in a pay
8 period are less than the required number of hours will continue to receive the benefits of
9 this Subdivision for up to six pay periods per episode of illness or injury.

10 (2) Retirement System Contributions.

11 (A) County Contributions. The County shall pay all required
12 employer contributions to the San Bernardino County Employee's Retirement
13 Association (SBCERA).

16 section. The Auditor-Controller/Treasurer/Tax Collector has implemented the pickup of
17 such retirement system contributions under Internal Revenue Code subsection
18 414(h)(2).

19 The County shall make member contributions under this
20 subdivision on behalf of the employee which shall be in lieu of the employee's
21 contributions and such contributions shall be treated as employer contributions for
22 purposes of reporting and wage withholding under the Internal Revenue Code and the
23 Revenue and Taxation Code. The amounts picked up under this subdivision shall be
24 recouped through offsets against the salary of each employee for whom the County
25 picks up member contributions. These offsets are akin to a reduction in salary and shall
26 be made solely for purposes of income tax reporting and withholding. The member
27 contributions picked up by the County under this subdivision shall be treated as
28 compensation paid to County employees for all other purposes. County-paid employer

1 contributions to SBCERA under this subdivision shall be paid from the same source of
2 funds used in paying the salaries of the affected employees. No employee shall have
3 the option to receive the retirement system contribution amounts directly instead of
4 having them paid to SBCERA.

5 Until retirement or separation, all contributions picked up under this
6 subdivision will be considered for tax purposes as employer-paid contributions.

7 (C) Special Provisions.

8 (I) Except as provided below, employees who have 30
9 years of service credit shall not be paid in cash seven percent of earnable
10 compensation. Employees with at least 25 years of service as set forth in Government

13 have one opportunity during the employee's employment to receive cash payments of
14 seven percent of earnable compensation for up to 26 consecutive pay periods.

15 (II) Employees who are over the age of 60 at the time of
16 hire, and who are in a regular position, and who choose not to be a member of
17 SBCERA, shall be enrolled in the County's 401(k) Salary Savings Plan. The County
18 shall contribute the applicable percent of the employee's biweekly salary as defined in
19 Subsection 13.0613(p) to the Plan, and the employee shall contribute a minimum of
20 three percent of biweekly salary to the plan, not to exceed the annual limits of the Plan
21 as defined in the Internal Revenue Code.

22 (D) Survivor Benefits. Survivor Benefits are payable to
23 employed general retirement members with at least 18 months continuous retirement
24 membership pursuant to Government Code section 31855.12. An equal, non-

26 provided in the annual actuarial study.

28 following Subdivision shall apply to all members of the Exempt Group who are safety

6 Government Code section 31678.2, applying the formula set forth in Government Code
7 section 31664.1 applicable to all prior safety service credit for every eligible employee
8 under this Subdivision.

9 For Tier 2 safety members, the applicable retirement formula is as
10 provided by applicable law.

11 (3) Flexible Spending Account (FSA) for Medical Related Expenses.

12 (A) General. The County has established a Medical Expense
13 Reimbursement Plan, also known as a Flexible Spending Account (FSA). This plan has
14 been established in accordance with the provisions of Internal Revenue Code section
15 125. Human Resources will serve as the FSA Plan administrator and will administer the
16 FSA in accordance with the County's plan document. The FSA's plan year will coincide
17 with the County's benefit plan year.

18 (B) Eligible employees may contribute to the FSA, on a pre-tax
19 basis, an amount up to the Internal Revenue Code's annual maximum. This annual
20 contribution is made by the employee via equal biweekly payroll deductions. The
21 County will also contribute up to \$40.00 per biweekly pay period, matching Exempt
22 employee contributions dollar for dollar. Effective February 1, 2020, the County will
23 contribute up to an additional \$10.00 per biweekly pay period, matching Exempt
24 employee contribution dollar for dollar, for employees who select the County-sponsored
25 Blue Shield Access + HMO Plan or the Kaiser Choice HMO Plan and elect to enroll in
26 the FSA. FSA participants must elect to enroll each year in order to continue
27 participation. Upon enrolling in the FSA, employees may not change their designated
28 biweekly contribution amount or discontinue making contributions for the remainder of

1 the plan year except as permitted by the Internal Revenue Code. Any unused amounts
2 remaining in an employee's FSA account at the end of the Plan year shall be forfeited
3 except as permitted by the Internal Revenue Code and the County's plan document.
4 Contributions made to the FSA may be used for receiving non-taxable reimbursements
5 of eligible medical expenses not covered by insurance. Eligible reimbursable expenses
6 are those medical expenses that qualify as determined under Internal Revenue Code
7 section 213.

8 (4) Retirement Medical Trust Fund. A Retirement Medical Trust Fund
9 (RMT) has been established. Exempt Group employees with five or more years of
10 participation in SBCERA are eligible to participate. The trust is a Voluntary Employee
11 Benefit Association (VEBA) and will comply with all the provisions of Internal Revenue
12 Code section 501(c)(9).

13 The Retirement Medical Trust Fund will be administered by Human
14 Resources as the plan administrator in accordance with the plan document and
15 applicable law.

16 (A) Sick Leave Conversion Eligibility. Exempt Group employees
17 with five or more years of participation in SBCERA are eligible to participate in the Trust.
18 The purchase of additional retirement credit or other retirement service credit and/or
19 participation in other public sector retirement systems may be counted towards the five
20 year service requirement provided that the employee has not withdrawn their
21 contributions from the system(s) and the employee is also a member of SBCERA.

22 Employees who wish to receive credit for participation in other
23 public retirement systems must provide the Plan Administrator written evidence of
24 participation and that contributions made to the system(s) have not been withdrawn.

25 (B) Sick Leave Conversion Formula. At separation from County
26 service for reasons other than death, all eligible employees will be required to contribute

10 year for each regular employee in the Exempt Group to reimburse employees for tuition
11 costs incurred for job-related education or career development or to reimburse
12 membership dues in professional organization(s), provided each expenditure enhances
13 furtherance of County or continuing educational goals.

14 Requests for reimbursement must be approved in advance by the appointing
15 authority and shall not be paid in increments less than \$10.00 per fiscal year. The
16 individual department fund is in addition to department budgeted and mandated training
17 and memberships. The County shall also pay, in addition to the individual department
18 fund, the membership dues to the State Bar of California for all licensed attorneys in the
19 Exempt Group whose job duties require admission in the State Bar.

20 Employees who successfully complete job-related education or courses may
21 submit a request to be reimbursed beyond the limit of \$1,000.00 to their department
22 head or appointing authority for review. The department head or appointing authority
23 must then request and receive approval from the County Administrative Office to
24 reimburse beyond the limit of \$1,000.00 per fiscal year per employee. In order to be
25 eligible for tuition reimbursement under this provision, the employee must take such
26 course work outside regular work hours, and shall do no productive work for the County
27 while attending the courses.

28 If the reimbursement is approved and paid to the employee, and the employee

13 reasonable efforts to place the employee in a comparable County position based upon
14 the employee's skills, knowledge and abilities, as well as consideration for the
15 employee's length of service with the County. If reasonable efforts to place an exempt
16 classified employee in a comparable County position are unsuccessful, the employee
17 shall be subject to lay-off by written notification by the appointing authority or the Chief
18 Executive Officer, which notification shall be given at least ten working days prior to the

7 County business. An employee who becomes eligible or ineligible for this benefit in the
8 middle of a pay period will receive a prorated sum of automobile allowance. Employees
9 selecting this allowance shall be required to have a vehicle available at all times for use
10 on County business. This allowance shall be considered complete reimbursement for
11 the acquisition, insurance, maintenance, repair, upkeep, fuel, and all other costs for the
12 required vehicle.

13 (3) Effective June 20, 2020, the automobile allowance shall be reduced
14 from \$561.54 to \$461.54 per biweekly pay period. The reduced amount (\$100 per

5 then current base rate of pay. Employees may designate that cash outs of
6 Administrative Leave be contributed to the County's 401(k) Plan or 457(b) Deferred
7 Compensation Plan. Upon termination of employment, unused Administrative Leave

27 of such assignment. Requests for retroactive payment of a salary increase must be
28 filed as soon as possible, but not later than one calendar year after assignment of the

1 higher level duties and must be approved by the Director of Human Resources. Failure
2 to meet this time limitation shall waiver any and all rights to retroactive pay.

3 The duration of such assignments to vacant higher positions are not
4 intended to exceed one calendar year except in unusual circumstances approved by
5 both the appointing authority and the Director of Human Resources or designee. Such
6 assignments in all circumstances are temporary assignments and at the conclusion of
7 such assignments the respective employee shall be returned to his or her previous
8 classification. Appointments to regular positions of trainees or underfills are exempt
9 from the provisions of this section. Further, this section does not apply to a situation in
10 which there is no vacant higher-level position for which funds have been appropriated.
11 Addition of duties of a higher-level classification to any employee's regular position shall
12 be governed by the Special Assignment Compensation section or the Personnel Rules
13 on Classification, as appropriate. For purposes of this section, a vacant position is
14 defined as an authorized regular position for which funds have been appropriated and
15 which may be: (1) An unoccupied position due to attrition and for which the appointment
16 process has been initiated; (2) A position from which the incumbent is on extended
17 leave of absence; or (3) A new position authorized by the Board of Supervisors for

23 Officer list and appointed by the Civil Service Commission or, upon mutual agreement
24 of the appellant and the County, shall be heard by the Civil Service Commission. If the
25 appeal is heard by a hearing officer, the Civil Service Commission shall either accept or
26 reject the hearing officer's findings and recommendations within 30 days of receipt by
27 the Commission.

28 The only grounds for rejection of the hearing officer's decision must be for one of

9 the hearing officer to postpone the hearing upon sufficient cause being shown therefore,
10 or by the refusal of the hearing officer to properly include or exclude evidence material
11 to the controversy.

12 Should such be the case, the Commission must state in writing specific
13 reason(s) for the decision (1, 2, 3, 4, or 5) and subsequently conduct and complete a full
14 and fair evidentiary hearing on the appeal within 30 days of rejecting the hearing
15 officer's findings and recommendations unless the hearing cannot for good cause be
16 completed within 30 days.

17 Those serving in unclassified positions do not have civil service appeal
18 rights as they serve at the pleasure of the appointing authority. Positions in the Exempt
19 Group shall not have rights to the classification appeal procedures under the Personnel
20 Rules.

1 set up expense for the device if any, and the employee shall pay for the equipment and
2 monthly voice and data plans.

3 (cc) Probationary Period. Unless a longer probationary period is otherwise
4 provided, all classified employees in the Exempt Group shall serve a probationary
5 period of one year or 2,080 hours.

7 (ee) Perfect Attendance. Employees in regular, full-time positions in Benefit
8 Groups C and D who do not utilize any sick leave, any leave (e.g., vacation) in lieu of
9 sick leave, or benefits in lieu of sick leave (e.g., workers' compensation, short-term
10 disability partial/full integration, etc.), in a payroll calendar year (i.e., pay period one
11 through pay period 26 or 27, when applicable, of the same year), and who do not record
12 any sick leave without pay or absent without pay, medical emergency leave, or military
13 leave as provided by law during that year, shall accrue 16 hours of perfect attendance
14 leave, for use in the next calendar year. Failure to utilize perfect attendance leave
15 within the calendar year shall result in forfeiture of the same. Perfect attendance leave
16 may not be cashed out.

17 (ff) Healthy Lifestyles Program. The healthy lifestyle program is available to
18 employees in the Exempt Group. Under this program, Exempt Group employees are
19 eligible for reimbursement for health club membership up to \$324.00 on an annual
20 basis. Exempt Group employees are also eligible for an annual physical examination
21 through the Arrowhead Regional Medical Center.

22 (gg) Voluntary Time Off. The Voluntary Time Off (VTO) Program is intended to
23 provide Exempt Group employees a means of taking unpaid (i.e., non-compensated)
24 time off work, without losing the following benefits: medical premium subsidy, dental
25 premium subsidy, opt-out/waive amount, vision care, retirement medical trust employer
26 contribution, and life insurance which depend on the employee being in a paid status.

27 The following conditions apply:

28 (1) VTO may be taken in the same manner as vacation time except

1 that VTO must be used in one-hour increments and is limited to 80 hours per calendar
2 year.

3 (2) When VTO is taken, leave accruals continue as if the employee
4 was on paid time. VTO time counts as time worked toward satisfying the minimum hour
5 requirement to receive benefits, such as medical premium subsidy, dental premium
6 subsidy, opt-out/waive amount, County-paid life insurance, and County-paid vision care.

7 (3) VTO does not count as hours worked for purposes of computing
8 overtime, if applicable. County contribution to the retirement system under the
9 retirement system contributions subsection will only be paid if the employee is in a paid
10 status in any pay period in which VTO is used and the employee receives enough
11 earnings to pay his or her retirement contribution in that pay period.

12 Pursuant to applicable law, Tier 1 retirement system members are eligible
13 for full service credit for the pay period in which VTO is used and the employer
14 contribution would be based on the employees' normal compensation earnable.

15 Pursuant to applicable law, Tier 2 retirement system members are eligible
16 for a reduced service credit amount for the pay period in which VTO was used and the
17 employer contribution would be based on the employees' actual earnings for that pay
18 period.

19 (4) VTO may not be used for situations that would otherwise require
20 leave without pay, such as an employee on short-term disability, or in conjunction with
21 leave without pay.

22 (5) VTO is an entirely voluntary program. No employee may be
23 required to take VTO.

24 (6) VTO may be taken by request of the employee and upon approval
25 of the appointing authority.

26 (hh) Retirement Incentive. Eligible employees in identified classifications that
27 meet the requirements for a service retirement from the San Bernardino County

1 2009, are eligible to receive a retirement incentive in the amount of \$250.00 for each
2 completed quarter of a year of current continuous service in a regular position with the
3 County, payable in five annual payments after retirement. Such annual payments shall
4 be made in July of each year. The Chief Executive Officer may exclude from eligibility
5 classifications or positions assigned to organizational units that must remain filled.

6 Unless waived by the Chief Executive Officer, vacant positions created by those
7 employees receiving the retirement incentive shall not be filled for a period of five years.
8 Alternatively, departments may fill vacated positions if other positions with an equivalent
9 cost savings remain vacant for a period of five years.

10 Payments to an eligible employee under this program who returns to work for the
11 County in any capacity after retiring shall be temporarily suspended until the employee
12 again separates from employment with the County.

13 (ii) (Repealed by Ord. 4306, passed - -2016).

14 (jj) Longevity Pay. Exempt Group employees, except those persons who
15 qualify for transitional pay under Subsection 13.0613(nn), shall be eligible for longevity
16 pay above the base rate of pay, as indicated below, based on total hours of completed
17 continuous service with the County. Longevity pay shall be paid on all paid hours up to
18 an employee's standard hours, and shall not be considered when determining the
19 appropriate rate of pay for a promotion or demotion.

Total Completed Service	Compensation
31,200 continuous service hours (15 years)	2.0%

22 For purposes of longevity pay only, a year of completed County service is
23 defined as 2,080 service hours with the County.

24 (kk) Certified Public Accountant Stipend. The County shall establish a \$750.00
25 annual Certified Public Accountant (CPA) Stipend for employees in the following
26 classifications who attain and maintain a valid CPA license:

- 1 • Administrative Analyst II
- 2 • Administrative Analyst III

19 includes July 1 of each year. An eligible employee in a regular position who is part-time
20 or job-sharing shall be eligible for a prorated lump-sum payment based on regularly
21 scheduled hours. An employee who is licensed as a CPA after July 1, or who is
22 appointed after July 1, shall receive a prorated CPA stipend payment at the time of
23 licensure or appointment, as applicable. Such proration shall be based upon the
24 remaining number of pay periods in the fiscal year nearest his or her appointment.

25 Eligible employees who are not in paid status (i.e., not coding paid hours) in the
26 pay period that includes July 1 shall receive a prorated CPA stipend payment upon
27 return to paid status. Such proration shall be based upon the remaining number of pay
28 periods in the fiscal year nearest their return to paid status. However, an employee who

1 is not in paid status during the entire fiscal year (i.e., not in paid status from pay period
2 15 of one year through pay period 14 of the following year) shall not receive the annual
3 CPA stipend for the fiscal year(s) during which he or she was not in paid status at all.
4 For example, if an employee is not in paid status from June 2016 through September
5 2017, and then returns to paid status in October 2017, the employee shall receive a
6 prorated CPA stipend payment for FY 2017/2018 upon their return to paid status but
7 shall not receive the FY 2016/2017 stipend because the employee was not in paid
8 status for the entire 2016/2017 fiscal year. Any employee separating from County

20 standards and/or regulations. Eligibility for this differential is at the discretion of the
21 appointing authority.

22 (mm) Behavioral Health Medical Director Differential. The Behavioral Health
23 Medical Director shall receive a five percent differential above the employee's base rate

Transitional pay shall be paid on all paid hours up to an employee’s standard hours and shall be excluded when determining the appropriate rate of pay for promotion or demotion. Employees who qualify for transitional pay shall begin to receive the pay following completion of the required service hours.

Completed Continuous Service Hours	Compensation
31,200 continuous service hours (15 years)	2.0%
41,600 continuous service hours (20 years)	An additional 2.0% for a total of 4.0%

In cases where an employee is unable to make arrangements for electronic fund transfer, the Director of Human Resources may allow an exception to this subsection. Any exceptions granted may be reviewed periodically for continuation, subject to the approval of the Director of Human Resources.

10 (A) Employees who select the MBO shall receive a wage
11 differential of 4% above the base rate of pay. The wage differential shall be paid on all
12 paid hours (e.g., REG, PTO, etc.).

13 (B) The wage differential shall be considered as part of the base
14 hourly rate when calculating the following: County contribution to the employee's
15 Retirement Medical Trust (RMT) account, County match to employee's contribution to
16 457(b) Deferred Compensation Plan, County match to employee's contribution to
17 County's 401(k) Defined Contribution Plan, differentials paid on a percentage basis
18 (e.g., longevity, POST), sick leave conversion cash-out pursuant to Subsections
19 13.0613(g)(1)(l) and 13.0613(k)(4), and other leave cash-outs if any. Provided below is
20 an example of how the County's contribution to the RMT would be calculated:

21 Example: Employee with 17 years of continuous County service
22 and an 80-hour per pay period schedule selects the MBO. The employee's base hourly
23 rate is \$70 per hour. This employee is eligible for a County contribution to the RMT
24 equal to 3.75% of the employee's base bi-weekly salary. The County contribution to the
25 RMT is calculated as follows:

26 $80 \text{ hours} \times (\$70.00 \text{ per hour} \times 1.04 \text{ MBO Wage Differential}) =$
27 $\$5,824 \text{ base bi-weekly salary for purposes of County contribution to the RMT}$

28 $\$5,824 \times 3.75\% \text{ Contribution Rate} = \218.40

1 The County will contribute \$218.40 to the RMT on behalf of the
2 employee that pay period.

3 (3) Benefits and Leaves. Except as provided in Subsection
4 13.0613(pp)(3), employees who select the MBO shall receive the same benefits and
5 leaves that employees who select the traditional benefit option receive.

6 (A) Medical Coverage. Employees who select the MBO shall
7 have the same medical plan options as employees who select the traditional benefit
8 option (e.g., Blue Shield HMO, Kaiser HMO, Blue Shield Access + HMO, Kaiser Choice
9 HMO, and Blue Shield PPO).

10 (B) Medical Premium Subsidy (MPS).

11 (I) Employees who select the MBO shall receive MPS in
12 the following amounts per pay period:

Coverage Type	MPS
Employee Only	\$172.76
Employee + 1	\$310.80
Employee + 2	\$434.55

16 (II) Effective July 18, 2020, the MPS amounts for
17 employees who select the MBO shall increase to the following amounts per pay period*:

Coverage Type	MPS
Employee Only	\$179.86
Employee + 1	\$327.20
Employee + 2	\$459.15

21 *The initial granting of this MPS increase is subject to the discretion of the Chief
22 Executive Officer based on the availability of financial resources.

23 (III) Effective July 17, 2021, the MPS amounts for
24 employees who select the MBO shall increase to the following amounts per pay period:

Coverage Type	MPS
Employee Only	\$185.26
Employee + 1	\$337.02
Employee + 2	\$472.93

28 (IV) Effective July 16, 2022, the MPS amounts for

1 employees who select the MBO shall increase to the following amounts per pay period:

Coverage Type	MPS
Employee Only	\$190.82
Employee + 1	\$347.13
Employee + 2	\$487.11

5 (C) Dental Premium Subsidy (DPS). Employees who select the
6 MBO and are enrolled in both County-sponsored medical and dental coverage whose
7 premium costs for medical and dental exceeds the MPS shall be eligible to receive DPS
8 up to \$9.46 per pay period, but not to exceed the combined total of the employee's out-
9 of-pocket premium expenses.

10 (4) Paid Time Off (PTO).

11 (A) Definition. Employees who select the MBO shall be granted
12 Paid Time Off (PTO) in lieu of any other Vacation or Sick accrual leave provisions.
13 However, employees shall continue to be eligible to receive Administrative Leave as
14 provided in Subsection 13.0613(o). Additionally, employees shall receive holiday pay in
15 accordance with Subsection 13.0613(g)(3), except that employees shall not be eligible
16 for the floating holiday.

17 (B) Accumulation. Employees who select the MBO shall accrue
18 PTO each pay period as provided in the chart below and shall be eligible for prior
19 service credit in accordance with Subsection 13.0613(g)(2)(D). Employees who have
20 standard hours of less than eighty (80) hours per pay period shall accumulate PTO on a
21 pro-rata basis; provided, however, that the maximum combined vacation and PTO
22 accrual that may be carried over to future calendar years shall not be prorated. PTO
23 shall be available for use on the first day following the pay period in which it is earned.

Over 18,720 service hours	200 hours	7.69 hours	452 hours	586 hours*

*The employee's maximum PTO accrual that may be carried over to a future calendar year may not exceed 272, 362, or 452, as applicable. Additionally, the maximum combined vacation and PTO accrual that may be carried over to a future calendar year for an employee who has a grandfathered maximum vacation accrual balance of more than 480 hours as allowed in Subsection 13.0613(g)(2)(B) shall be this employee's grandfathered maximum vacation accrual balance plus 106 PTO hours. For example, if employee's grandfathered maximum vacation accrual balance is 600 hours, the maximum combined vacation and PTO accrual that may be carried over to a future calendar year shall be 706 hours (600 vacation hours plus 106 PTO hours). As indicated in Subsection 13.0613(g)(2)(B), the grandfathered maximum vacation accrual balance shall be adjusted annually at the end of each calendar year and shall never be increased.

Any PTO accrual balance at the end of the calendar year in excess of employee's maximum PTO accrual that may be carried over to a future calendar year shall be automatically cashed out and paid in accordance with Subsection 13.0613(pp)(4)(E)(II). Additionally, any combined vacation/PTO accrual balance at the end of the calendar year in excess of the employee's allowed maximum combined vacation/PTO balance, in which vacation accruals do not exceed employee's allowed maximum vacation accrual balance, shall be cashed out in PTO hours paid in accordance with Subsection 13.0613(pp)(4)(E)(II). For example, if an employee with a maximum combined accrual balance of 586 has 480 vacation hours (i.e., employee's vacation maximum accrual balance) and 200 PTO hours for a combined accrual balance of 680 hours, 94 PTO hours shall be automatically cashed out in accordance

1 with Subsection 13.0613(pp)(4)(E)(II).

2 (C) Administration.

3 (I) PTO for Vacation Leave Purposes. When PTO has
4 been requested for vacation leave purposes, PTO shall be administered according to
5 Subsection 13.0613(g)(2)(C).

6 (II) PTO for Sick Leave Purposes. When PTO has been
7 requested for sick leave purposes, PTO shall be administered according to Subsection
8 13.0613(g)(1)(D).

9 (D) Separation. Employees separating from County
10 employment shall have any unused PTO administered in the same manner that
11 Vacation Leave is administered at separation according to Subsection
12 13.0613(g)(2)(C)(IV).

13 Exempt employees who are subsequently hired into a position in a
14 bargaining unit that does not contain the MBO, shall carry over their existing PTO
15 balance and begin accruing vacation, floating holiday, and sick leave immediately.

16 (E) PTO Cash-Out.

17 (I) Elective Conversion. An employee may sell back
18 PTO at the base hourly rate of the employee as hereinafter provided, upon approval of
19 the appointing authority. Eligible employees may exercise these options under
20 procedures established by the Director of Human Resources. In lieu of cash, the
21 employee may designate that part or all of the value of PTO be contributed to the
22 County's 401(k) Defined Contribution Plan or 457(b) Deferred Compensation Plan. In
23 order to sell back PTO prior to termination or retirement, an employee may exercise the
24 following options:

25 Option 1. Future Accruals. An employee must make an
26 irrevocable election during the month of December, specifying the number of PTO hours
27 to be sold back from the next calendar year's PTO accrual. Such election must be
28 made in increments of not less than ten hours and may not exceed 160 hours. All

1 designated hours remaining at the end of the pay period 25 will automatically be
2 converted into cash in the last period of the calendar year.

3 Option 2. Existing Accruals. Existing PTO accruals may be
4 cashed out in whole hour increments with a minimum cash out of ten hours and will be
5 subject to a ten percent penalty.

6 (II) Automatic Conversion. At the end of the last pay
7 period of the calendar year, an employee shall automatically have any PTO accruals in
8 excess of the employee's maximum PTO accrual balance converted to cash. Such
9 automatic PTO cash out shall be paid in pay period 1 of the next calendar year.

10 (F) Accrual Carryover Following Benefit Change.

11 (I) Traditional Benefit Option to Modified Benefit Option.

12 (i) Employees who convert from the traditional
13 benefit option to the MBO shall carry over and may utilize their existing vacation,
14 holiday, and sick leave balances; provided, however, that the employee shall no longer
15 accrue vacation leave, sick leave, and a floating holiday after converting to the MBO.
16 After converting to the MBO the employee shall be immediately eligible to accrue PTO.

17 Any vacation leave accrual balance carried over to
18 the MBO that is in excess of the employee's allowed maximum vacation leave accrual
19 balance at the end of the calendar year shall be cashed out and paid in accordance with
20 Subsection 13.0613(g)(2)(E)(II). For example, an employee with a maximum vacation
21 leave accrual balance of 480 hours begins MBO in pay period 16 and carries over 572
22 vacation hours. This employee then uses 20 vacation hours and has 552 vacation
23 hours at the end of the last pay period of the calendar year. In this example, 72
24 vacation hours shall automatically cash out in pay period 1 of the next calendar year
25 such that 480 vacation hours carries over to the next calendar year (552 hours – 72
26 hours = 480 hours).

27 (ii) Vacation Cash-Out. Employees who met the
28 eligibility requirements for the vacation cash-out prior to selecting the MBO, and

1 (ii) PTO Cash-Out. Employees who met the
2 eligibility requirements for the PTO cash-out prior to converting from the MBO to the
3 traditional benefit option, and pre-designated to cash-out PTO during the required pre-
4 designation period while in the MBO, shall remain eligible to cash-out PTO. However,
5 employees enrolled in the traditional benefit option shall not be eligible to pre-designate
6 to cash-out PTO while enrolled in the traditional benefit option unless employee intends
7 to convert to the MBO during next calendar year's open enrollment period and start
8 accruing PTO that calendar year.

9 Additionally, employees who convert from the MBO to
10 the traditional benefit option will continue to have the option to cash-out existing PTO
11 according to Subsection 13.0613(pp)(4)(E)(I).

12 qq The Director of Human Resources shall have the authority, with the
13 approval of the County's Chief Executive Officer, to provide Exempt Group employees
14 who participated in major COVID-19 initiatives up to the 40 hours of COVID Leave
15 consistent with the COVID leave provided to the represented bargaining units.

16
17 SECTION 2. Section 13.0614 of the San Bernardino County Code is amended,
18 to read in its entirety as follows:

19 **13.0614 Salaries and Working Conditions of the Elected Officials.**

20 (a) Compensation.

21 (1) Board of Supervisors. Section 1 of Article VI of the County Charter
22 establishes the annual compensation (including salary and benefits) of members of the
23 Board of Supervisors and provides that compensation is re-evaluated, and adjusted if
24 necessary, every four years.

25 (2) County-Wide Elected Officials. Section 1 of Article VI of the County
26 Charter establishes the annual salaries of County-wide elected officials, as defined in
27 section 13.0613(b), except that of the Superintendent of County Schools, and provides
28 that salary is re-evaluated, and adjusted if necessary, every year.

1 (b) Benefits—County-Wide Elected Officials.

2 (1) Notwithstanding any other provisions of the County Code, County-
3 wide elected officials shall receive the same benefits provided to Exempt Group
4 employees in Benefit Group A, or as otherwise specified, in Subsections (f), (j), (k), (l),
5 (n), (p), (s), (bb), and (ff) of Section 13.0613, and as otherwise specified by law or the
6 County Code and as modified below.

7 (A) County-wide elected officials are not required to enroll in
8 County-sponsored medical and dental coverage as described in Subsection
9 13.0613(f)(1). A County-wide elected official who does not participate in a County-
10 sponsored medical plan will receive an amount of \$161.54 per pay period.

11 (B) County-wide elected officials shall not receive the benefits
12 described in Subsection 13.0613(f)(6) related to short term disability.

13 (C) County-wide elected officials shall not receive the benefits
14 described in Subsection 13.0613(k)(1)(B)(III) related to eligibility for MPS and DPS while
15 on leave.

16 (D) County-wide elected officials shall not receive the benefits
17 described in Subsections 13.0613(k)(4)(A) and 13.0613(k)(4)(B) related to sick leave
18 conversion to Retirement Medical Trust Fund (RMT). County-wide elected officials shall
19 be eligible to participate in the RMT upon taking office. The County will contribute to the
20 RMT as follows for County-wide elected officials:

21

Years of Service	Percentage of Base Salary*
Elected – 0-9 years	2.00%
Elected – 10-15 years	2.75%
Elected – 16 or more years	3.75%

22

23

24 *For purposes of the RMT contribution, base salary is as defined in the RMT plan document.

25

26 (E) In addition to the benefits described in Subsection
27 13.0613(n)(1) related to automobiles, County-wide elected officials shall be entitled to
28 have a Category I County vehicle assigned to them for use on County business and

1 they will not be required to reimburse the County for occasional personal use. County-
2 wide elected officials shall be taxed for any such personal use in accordance with state
3 and federal tax law and regulation. County-wide elected officials shall not receive the
4 automobile allowance described in Subsection 13.0613(n)(3) and will receive the
5 \$561.54 per biweekly pay period.

6 (I) In lieu of other benefits provided to Exempt Group
7 employees, County-wide elected officials shall have five percent of their base salary
8 contributed by the County on their behalf on a biweekly basis to either (1) the County's
9 457(b) Deferred Compensation Plan, or (2) the County's 401(a) Defined Contribution
10 Plan.

11 (II) Tier 1 County-wide elected officials shall have
12 \$442.53 contributed by the County on their behalf on a biweekly basis to either (1) the
13 County's 457(b) Deferred Compensation Plan, or (2) the County's 401(a) Defined
14 Contribution Plan.

15 (c) Benefits—Board of Supervisors. Members of the Board of Supervisors
16 shall receive only the following benefits.

17 (1) Retirement System Contributions.

18 (A) The County will contribute to the San Bernardino County
19 Employees' Retirement Association (SBCERA) all required employer contributions for
20 members of the Board of Supervisors. All mandatory employee retirement contributions
21 shall be paid by the Board members.

22 (B) All such mandatory employee retirement contributions made
23 to SBCERA, although designated as employee contributions under the County
24 Employees Retirement Law of 1937 and although deducted from the compensation of
25 Board members, shall be picked up by the County for tax purposes in accordance with
26 Internal Revenue Code section 414(h)(2) and shall be treated by the County as paid by
27 the County to SBCERA in lieu of contributions by Board members who are members of
28 SBCERA, as authorized by County Resolution 2008-249. The amounts picked up by

1 the County under this subsection shall be treated as compensation paid to Board
2 members for all other purposes. County paid employer contributions to the County's
3 Retirement System under this subsection shall be paid from the same source of funds
4 used in paying the salaries of the affected Board members. No Board member shall
5 have the option to receive the Retirement System contribution amounts directly instead
6 of having them paid to the County Retirement System. Until retirement or separation,
7 all contributions picked up under this subsection will be considered for tax purposes as
8 employer-paid contributions.

9 (C) Survivor Benefits are payable to employed general
10 retirement members with at least 18 months continuous retirement membership
11 pursuant to Government Code section 31855.12. An equal, non-refundable employer
12 and employee biweekly contribution will be paid to SBCERA as provided in the annual
13 actuarial study.

14 (2) Medical and Dental Coverage Insurance.

15 (A) Except as provided in subsection (C) below, all Board
16 members must enroll in a medical and dental plan offered by the County. Board
17 members who fail to elect medical and dental plan coverage will be automatically
18 enrolled in the medical and dental plan with the lowest biweekly premium rates available
19 in the geographical location of the Board member's primary residence.

20 (B) Enrollment elections must remain in effect for the remainder
21 of the plan year unless a Board member experiences an IRS qualifying event. Board
22 members may elect to enroll their dependent(s) upon initial eligibility for medical and
23 dental insurance. Thereafter, newly eligible dependents may be enrolled within 60 days
24 of obtaining dependent status, such as birth, adoption, marriage, or registration of
25 domestic partnership. Notification of a mid-year qualifying event must be submitted to
26 Human Resources, in accordance with procedures adopted by the County. Board
27 members are responsible for notifying the County within 60 days of dependent's change
28 in eligibility for the County plans. Dependent(s) must be removed mid-plan year when a

1 dependent(s) becomes ineligible for coverage under the insurance plan eligibility rules,
2 for example, divorce, over-age dependent, or gain of coverage on spouse's or domestic
3 partner's employer-provided insurance, or termination of domestic partnership.
4 Premiums for coverage will be automatically deducted from the Board member's pay
5 warrant. Failure to pay premiums will result in loss of coverage for the Board member
6 and/or the dependents.

7 (C) Board members eligible for medical plan coverage who are
8 also enrolled in comparable group medical plan sponsored by another employer or are
9 covered by a spouse or domestic partner who is also employed with the County may
10 elect to discontinue enrollment in County-sponsored medical plan (opt-out or waive).
11 Board members who either elect to opt-out of County-sponsored medical plan coverage
12 or waive coverage to a spouse or domestic partner who is also employed with the
13 County will not receive any medical premium subsidy, and will instead receive the
14 biweekly amount of \$40.00 per pay period. Board members eligible for dental plan
15 coverage who are also enrolled in a comparable group dental plan sponsored by
16 another employer may elect not to participate in a County-sponsored dental plan. The
17 rules and procedures for electing to opt-out of County-sponsored medical and dental
18 plan coverage are established and administered by Human Resources.

19 (3) Medical and Dental Subsidies.

20 (A) The County will establish a medical premium subsidy (MPS)
21 to offset the cost of medical and dental plan premiums charged to Board members. The
22 MPS shall be applied first to medical insurance premiums and then to dental plan
23 premiums. The applicable MPS amount shall be paid directly to the providers of the
24 County-sponsored medical and dental plans in which the Board member has enrolled.
25 The MPS shall not be considered compensation earnable for purposes of calculating
26 benefits or contributions for the San Bernardino County Employees' Retirement
27 Association. In no case, shall the MPS exceed the total cost of the medical and dental
28 insurance premium for the coverage selected. The County will establish a MPS, if

1 applicable, in the following amounts:

Coverage Level	MPS Amount
Board member only	\$230.00
Board member + 1	\$352.23
Board member + 2	\$482.64

5 (B) The County has established a dental premium subsidy
6 (DPS) for Board members whose premium costs for medical and dental insurance
7 exceeds the MPS, in an amount up to \$9.46 but not to exceed the combined total of the
8 Board member's out-of-pocket expenses. For example, a Board member who selects
9 "Board member only" coverage for medical and dental with a combined per pay period
10 premium cost of \$234.00 will receive a DPS in the amount of \$4.00 per pay period.

11 (4) Vision Insurance. Subject to carrier requirements, the County will
12 pay the premiums for vision care insurance for Board members and their dependents.

13 (5) Expense Reimbursement.

14 (A) General Provisions. The purpose of this subsection is to
15 define the policy and procedures by which Board members shall report and be
16 reimbursed for necessary expenses incurred on behalf of San Bernardino County. As
17 elected officials, Board members shall assure that expenses submitted for
18 reimbursement are reasonable and necessary expenditures. No other approval is
19 required.

20 (B) Records and Reimbursements.

21 (I) Requests for expense reimbursements should be
22 submitted once each month, except if the amount claimable for any month does not
23 exceed \$25.00, the submission may be deferred until the amount exceeds \$25.00
24 quarterly, or until June 30 during the current fiscal year, whichever occurs first. At the
25 end of the fiscal year, expense reimbursement claims for July 1 and beyond, must be on
26 a separate claim from those expenses claimed for June 30 or earlier.

27 (II) Receipts or vouchers which verify the claimed
28 expenditures will be required for all items of expense, except:

1 (i) Subsistence, except as otherwise provided in
2 this subsection;

3 (ii) Private mileage;

4 (iii) Taxi, streetcar, bus, and ferryboat fares; bridge
5 and road tolls; and parking fees;

6 (iv) Telephone and other communication – related
7 charges;

8 (v) Other authorized expenses of less than \$1.00.

9 (III) Claims for expense reimbursement totaling less than
10 \$1.00 in any fiscal year shall not be paid.

11 (IV) Reimbursement shall not be made for any personal
12 expenses such as, but not limited to: entertainment, barbering, etc.

13 (V) Except as otherwise provided in this subsection,
14 expense reimbursements shall be made on an actual cost basis.

15 (C) Transportation Modes.

16 (I) The general rule for selection of a mode of
17 transportation is that mode which represents the lowest expense to the County.

18 (II) Travel via Private Automobile. Board members who
19 travel by use of a private automobile for which they receive an automobile allowance or
20 who use a County-provided vehicle pursuant to Subsection 13.0614(c)(6) below, will not
21 also be reimbursed for mileage.

22 (III) Travel via Air. All travel that requires air
23 transportation shall be made by commercial aircraft. When commercial aircraft
24 transportation is approved, the “cost of public carrier” shall mean the cost of air coach
25 class rate including tax and security surcharges. Travel via charter aircraft shall not be
26 allowed, unless other types of transportation are impractical or more expensive.

27 (IV) Travel via Rental Vehicles. Reimbursement will be
28 provided for the cost of a rental vehicle used for business purposes. Rental vehicles

1 are covered for liability and vehicle physical damage under the County's self-insurance
2 program. Reimbursement will not be provided for the additional costs incurred if any
3 Board member purchased any additional insurance or signs a collision damage waiver
4 (CDW) when renting a vehicle for County business. Requests for reimbursement for
5 gasoline for rental vehicles must be accompanied by a copy of the rental agreement or
6 rental receipt and gasoline receipt.

7 (D) Subsistence.

8 (I) Claims for lodging and meals which do not exceed the
9 allowances listed below do not require receipts.

10 (II) The allowance for lodging is the maximum lodging
11 rate identified in the Maximum Federal Per Diem Rates table in IRS Publication 1542.

12 (III) The allowance for meals is the Meal and Incidental
13 Expense (M&IE) Rate identified in the Maximum Federal Per Diem Rates table in IRS
14 Publication 1542. If less than three meals in a day are being claimed, the allowance per
15 meal is 22 percent of the M&IE Rate for breakfast, 30 percent of the M&IE Rate for
16 lunch, and 48 percent of the M&IE Rate for dinner.

17 (IV) Meal allowances for a business meeting/conference
18 including meals are the actual costs.

19 (E) Expense Advances.

20 (I) Advancement of funds for business expenses can be
21 obtained from the Auditor-Controller/Treasurer/Tax Collector through submission of the
22 appropriate form. Advancements shall not exceed the per diem allowances set forth
23 herein. The minimum amount to be advanced is \$50.00.

24 (II) County Credit/Debit Cards. The County may issue a
25 County credit or debit card to a Board member and require business expenses be paid
26 for with said card. If unauthorized charges are placed on the card, the Board member
27 shall be required to reimburse the County. If the Board member fails to reimburse the
28 County within 15 calendar days, the Auditor-Controller/Treasurer/Tax Collector may

1 recover any unauthorized charges from the Board member's pay.

2 (F) Compliance. The following provisions and policies comply
3 with Government Code section 53232 et seq.:

4 (I) When reimbursement is otherwise authorized by
5 statute, the County may reimburse Board members for actual and necessary expenses
6 incurred in the performance of official duties.

7 (II) The types of occurrences that qualify a Board
8 member to receive reimbursement of expenses relating to travel, meals, lodging, and
9 other actual and necessary expenses include the following:

10 (i) Communicating with representatives of
11 regional, state and national government on County adopted policy positions;

12 (ii) Attending educational seminars designed to
13 improve officials' skill and information levels;

14 (iii) Participating in regional, state, and national
15 organizations whose activities affect the County's interests;

16 (iv) Attending County events;

17 (III) All other expenditures require approval by the Board
18 of Supervisors.

19 (IV) The reasonable reimbursement rates for travel,
20 meals, and lodging, and other actual and necessary expenses are those set out in San
21 Bernardino County Code Subsection 13.0614(c)(5).

22 (V) If the lodging is in connection with a conference or
23 organized educational activity, lodging costs shall not exceed the maximum group rate
24 published by the conference or activity sponsor, provided that lodging at the group rate
25 is available to the Board member at the time of booking. If the group rate is not
26 available, the Board member shall use comparable lodging.

27 (VI) Board members shall use government and group
28 rates offered by a provider of transportation or lodging services for travel and lodging

1 when available.

2 (VII) All expenses that do not fall within this policy or the
3 IRS reimbursable rates shall be approved by the Board of Supervisors, in a public
4 meeting before the expense is incurred, or ratified after the expense is incurred, when
5 prior action is not possible due to the urgency of the requirement for the expense.

6 (VIII) Expense Reports. The County Auditor
7 Controller/Treasurer/Tax Collector shall provide expense report forms to be filed by the
8 members of the Board of Supervisors for reimbursement of actual and necessary
9 expenses incurred on behalf of the local agency in the performance of official duties.

10 (i) The expense reports shall document that
11 expenses meet this policy, and all other applicable County policies, for expenditure of
12 public resources.

13 (ii) Board members shall submit expense reports
14 to the County Auditor-Controller/Treasurer/Tax Collector within a reasonable time after
15 the expense is incurred, and the reports shall be accompanied by the receipts
16 documenting each expense.
