INTRODUCTION

We are pleased to welcome you to the group dental plan for County of San Bernardino. Your plan is self-funded by your employer and your claims are administered by Delta Dental. Our goal is to provide you with the highest quality dental care and to help you maintain good dental health. We encourage you not to wait until you have a problem to see the Provider, but to see him/her on a regular basis.

This Employee Benefit Booklet is a summary of your group dental program. Please read it carefully. It only summarizes the detailed provisions of the group dental contract issued by Delta Dental of California ("Delta Dental") and cannot modify the Contract in any way.

Using This Employee Benefit Booklet

This Employee Benefit Booklet, which includes Attachment A, Deductibles, Maximums and Contract Benefit Levels (Attachment A) and Attachment B, Services, Limitations and Exclusions (Attachment B), discloses the terms and conditions of your coverage and is designed to help you make the most of your dental plan. It will help you understand how the plan works and how to obtain dental care. Please read this booklet completely and carefully. Keep in mind that "you" and "your" mean the individuals who are covered. "We," "us" and "our" always refer to Delta Dental. In addition, please read the Definitions section, which will explain any words that have special or technical meanings under the Contract.

The benefit explanations contained in this booklet are subject to all provisions of the Contract on file with your employer, trust fund, or other entity ("Contractholder") and do not modify the terms and conditions of the Contract in any way, nor shall you accrue any rights because of any statement in or omission from this booklet. This booklet is *not* a Summary Plan Description to meet the requirements of ERISA.

Notice: *This booklet is a summary of your group dental program and its accuracy should be verified before receiving treatment. This information is not a guarantee of covered benefits, services or payments.*

EMPLOYEE PREMIUMS AND COUNTY CONTRIBUTIONS

The County helps you pay for your dental insurance by subsidizing your premiums through payments made directly to the carrier. The subsidy amounts vary and are based on your bargaining unit, family size, hire date, plan selection, and the number of hours you work. You are responsible for the cost of premium coverage which exceeds the County dental premium subsidy (dps). For specific dps amounts, refer to the appropriate MOU, Exempt Compensation Plan, Salary Ordinance, or Contract.

Termination of Coverage

Employees

Your coverage will cease on the earliest date below:

- The last day of the Pay Period in which you no longer meet Employee Eligibility as defined in the Eligibility section above.
- The last day for which you have made any required contribution for the insurance.
- The date the policy is canceled.

Dependents

Your coverage for all of your Dependents will cease on the earliest date below:

- The last day for which you have made any required contribution for the insurance.
- The date Dependent Insurance is canceled.

Your Dependents' coverage ends when yours does, or the pay period in which they are no longer eligible Dependents.

Continuation of Benefits

We will not pay for any services/treatment received after your coverage ends. However, we will pay for covered services incurred while you were eligible if the procedures were completed within 31 days of the date your coverage ended.

A dental service is incurred:

- for an appliance (or change to an appliance), at the time the impression is made;
- for a crown, bridge or cast restoration, at the time the tooth or teeth are prepared;
- for root canal therapy, at the time the pulp chamber is opened; and

- for all other dental services, at the time the service is performed or the supply furnished.

Leave of Absence

Eligibility will be determined by the County in accordance with the County's Section 125 Premium Conversion Plan.

Continued Coverage under USERRA

Eligibility will be determined by the County in accordance with the County's Section 125 Premium Conversion Plan.

Continuation of Coverage Under COBRA

COBRA (the Consolidated Omnibus Budget Reconciliation Act of 1985) provides a way for you and your Dependent Enrollees who lose employer-sponsored group health plan coverage to continue coverage for a period of time. COBRA does not apply to all companies, only those that meet certain size guidelines. See your Human Resources Department for complete information.

We do not assume any of the obligations required by COBRA of the Contractholder or any employer (including the obligation to notify potential beneficiaries of their rights or options under COBRA).

CONDITIONS UNDER WHICH BENEFITS ARE PROVIDED

We will pay Benefits for the dental services described in Attachment B. We will pay Benefits only for covered services. The Contract covers several categories of dental services when a Provider provides them and when they are necessary and within the standards of generally accepted dental practice standards. Claims shall be processed in accordance with our standard processing policies. The processing policies may be revised from time to time; therefore, Delta Dental shall use the processing policies that are in effect at the time the claim is processed. We may use dentists (dental consultants) to review treatment plans, diagnostic materials and/or prescribed treatments to determine generally accepted dental practices and to determine if treatment has a favorable prognosis. Limitations and Exclusions will be applied for the period the person is an Enrollee under any Delta Dental program or prior dental care program provided by the Contractholder subject to receipt of such information from the Contractholder or at the time a claim is submitted. Additional eligibility periods, if any, are listed in Attachment A. If you receive dental services from a Provider outside the state of California, the Provider will be paid according to Delta Dental's network payment provisions for said state according to the terms of the Contract.

If a primary dental procedure includes component procedures that are performed at the same time as the primary procedure, the component procedures are considered to be part of the primary procedure for purposes of determining the Benefit payable under the Contract. Even if the Provider bills separately for the primary procedure and each of its component parts, the total Benefit payable for all related charges will be limited to the maximum Benefit payable for the primary procedure.

Enrollee Coinsurance

We will pay a percentage of the Maximum Contract Allowance for covered services, as shown in Attachment A and you are responsible for paying the balance. What you pay is called the enrollee coinsurance ("Enrollee Coinsurance") and is part of your out-of-pocket cost. You pay this even after a Deductible has been met.

The amount of your Enrollee Coinsurance will depend on the type of service and the Provider providing the service (see section titled "Selecting Your Provider"). Providers are required to collect Enrollee Coinsurance for covered services. Your group has chosen to require Enrollee Coinsurances under this program as a method of sharing the costs of providing dental Benefits between the Contractholder and Enrollees. If the Provider discounts, waives or rebates any portion of the Enrollee Coinsurance to you, we will be obligated to provide as Benefits only the applicable percentages of the Provider's fees or allowances reduced by the amount of the fees or allowances that are discounted, waived or rebated.

It is to your advantage to select PPO Providers because they have agreed to accept the Maximum Contract Allowance as payment in full for covered services, which typically results in lower out-of-pocket costs for you. Please refer to the sections titled "Selecting Your Provider" and "How Claims Are Paid" for more information.

Maximum Amount

Most dental programs have a maximum amount. A maximum amount (“Maximum Amount” or “Maximum”) is the maximum dollar amount we will pay toward the cost of dental care. You are responsible for paying costs above this amount. The Maximum Amount payable is shown in Attachment A. Maximums may apply on a yearly basis, a per services basis, or a lifetime basis.

Pre-Treatment Estimate

Pre-Treatment Estimate requests are not required; however, your Provider may file a Claim Form before beginning treatment, showing the services to be provided to you. We will estimate the amount of Benefits payable under the Contract for the listed services. By asking your Provider for a Pre-Treatment Estimate from us before you agree to receive any prescribed treatment, you will have an estimate up front of what we will pay and the difference you will need to pay. The Benefits will be processed according to the terms of the Contract when the treatment is actually performed. Pre-Treatment Estimates are valid for 365 days unless other services are received after the date of the Pre-Treatment Estimate, or until an earlier occurrence of any one of the following events:

- the date the Contract terminates;
- the date Benefits under the Contract are amended if the services in the Pre-Treatment Estimate are part of the amendment;
- the date your coverage ends; or
- the date the Provider’s agreement with Delta Dental ends.

A Pre-Treatment Estimate does not guarantee payment. It is an estimate of the amount we will pay if you are enrolled and meet all the requirements of the program at the time the treatment you have planned is completed and may not take into account any Deductibles, so please remember to figure in your Deductible if necessary.

Coordination of Benefits

We coordinate the Benefits under the Contract with an Enrollee’s benefits under any other group or pre-paid plan or Benefit plan designed to fully integrate with other policies. If this plan is the “primary” plan, we will not reduce Benefits. If this plan is the “secondary” plan, we may reduce Benefits otherwise payable under the Contract so that the total benefits paid or provided by all plans do not exceed 100 percent of total allowable expense.

- How do we determine which plan is the “primary” program?
 - (1) The plan covering you as an employee is primary over a plan covering you as a dependent.
 - (2) The plan covering you as an employee is primary over a plan which covers the insured person as a dependent; except that: if the insured person is also a Medicare beneficiary, and as a result of the rule established by Title XVIII of the Social Security Act and implementing regulations, Medicare is:
 - a) secondary to the plan covering the insured person as a dependent and
 - b) primary to the plan covering the insured person as other than a dependent (e.g., a retired employee), then the benefits of the plan covering the insured person as a dependent are determined before those of the plan covering that insured person as other than a dependent.
 - (3) Except as stated below, when this plan and another plan cover the same child as a dependent of different persons, called parents:
 - a) The benefits of the plan of the parent whose birthday falls earlier in a year are determined before those of the plan of the parent whose birthday falls later in that year, but
 - b) If both parents have the same birthday, the benefits of the plan which covered one parent longer are determined before those of the plan which covered the other parent for a shorter period of time.
 - c) However, if the other plan does not have the birthday rule described above, but instead has a rule based on the gender of the parent, and if, as a result, the plans do not agree on the order of benefits, the rule in the other plan will determine the order of benefits.

- (4) In the case of a dependent child of legally separated or divorced parents, the plan covering the Enrollee as a dependent of the parent with legal custody, or as a dependent of the custodial parent's Spouse (i.e., step-parent) will be primary over the plan covering the Enrollee as a dependent of the parent without legal custody. If there is a court decree which would otherwise establish financial responsibility for the health care expenses with respect to the child, the benefits of a plan which covers the child as a dependent of the parent with such financial responsibility will be determined before the benefits of any other policy which covers the child as a dependent child.
- (5) If the specific terms of a court decree state that the parents will share joint custody, without stating that one of the parents is responsible for the health care expenses of the child, the plans covering the child will follow the order of benefit determination rules outlined in (3) a) through (3) c).
- (6) The Benefits of a plan which covers an insured person as an employee who is neither laid off nor retired are determined before those of a plan which covers that insured person as a laid off or retired employee. The same would hold true if an insured person is a dependent of a person covered as a retiree and an employee. If the other plan does not have this rule, and if, as a result, the plans do not agree on the order of benefits, this rule is ignored.
- (7) If an insured person whose coverage is provided under a right of continuation pursuant to federal or state law also is covered under another plan, the following will be the order of benefit determination:
- First, the Benefits of a plan covering the insured person as an employee or Primary Enrollee (or as that insured person's dependent);
 - Second, the Benefits under the continuation coverage.
- If the other plan does not have the rule described above, and if, as a result, the plans do not agree on the order of benefits, this rule is ignored.
- (8) If none of the above rules determine the order of benefits, the benefits of the plan which covered you longer are determined before those of the plan which covered you for the shorter term.
- (9) When determination cannot be made in accordance with the above, the benefits of a plan that is a medical plan covering dental as a benefit shall be primary to a dental-only plan.

SELECTING YOUR PROVIDER

Free Choice of Provider

We recognize that many factors affect the choice of dentist and therefore support your right to freedom of choice regarding your Provider. This assures that you have full access to the dental treatment you need from the dental office of your choice. You may see any Provider for your covered treatment, whether the Provider is a PPO Provider, Premier Provider or a Non-Delta Dental Provider. In addition, you and your family members can see different Providers.

Remember, you enjoy the greatest Benefits—including out-of-pocket savings—when you choose a PPO Provider. To take full advantage of your dental plan, we highly recommend you verify a dentist's participation status with your dental office before each appointment. Review the section titled "How Claims Are Paid" for an explanation of payment procedures to understand the method of payments applicable to your dentist selection and how that may impact your out-of-pocket costs.

Locating a Delta Dental PPO Provider

There are two ways in which you can locate a PPO Provider near you:

- You may access information through our website at deltadentalins.com. This website includes a Provider search function allowing you to locate PPO Providers by location, specialty and network type; or
- You may also call our Customer Service Center toll-free at 855-244-7323 and one of our representatives will assist you. We can provide you with information regarding a Provider's network, specialty and office location.

HOW CLAIMS ARE PAID

Payment for Services — PPO Provider

Payment for covered services performed for you by a PPO Provider is calculated based on the Maximum Contract Allowance. PPO Providers have agreed to accept the Delta Dental PPO Contracted Fee as the full charge for covered services.

The portion of the Maximum Contract Allowance payable by us is limited to the applicable Contract Benefit Level shown in Attachment A. Delta Dental's Payment is sent directly to the PPO Provider who submitted the claim. We advise you of any charges not payable by us for which you are responsible. These charges are generally your share of the Maximum Contract Allowance, as well as any Deductibles, charges where the maximum has been exceeded, and/or charges for non-covered services.

Payment for Services — Premier Provider

Payment for covered services performed for you by a Premier Provider is calculated based on the Maximum Contract Allowance. Premier Providers have agreed to accept the Delta Dental Premier Contracted Fee as the full charge for covered services.

The portion of the Maximum Contract Allowance payable by us is limited to the applicable Contract Benefit Level shown in Attachment A. Delta Dental's Payment is sent directly to the Premier Provider who submitted the claim. We advise you of any charges not payable by us for which you are responsible. These charges are generally your share of the Maximum Contract Allowance, as well as any Deductibles, charges where the maximum has been exceeded, and/or charges for non-covered services.

Payment for Services — Non-Delta Dental Provider

Payment for services performed for you by a Non-Delta Dental Provider is also calculated based on the Maximum Contract Allowance. The portion of the Maximum Contract Allowance payable by us is limited to the applicable Contract Benefit Level shown in Attachment A. Non-Delta Dental Providers have no agreement with Delta Dental and are free to bill you for any difference between what Delta Dental pays and the Submitted Fee.

When dental services are received from a Non-Delta Dental Provider, Delta Dental's Payment is sent directly to the Primary Enrollee. You are responsible for payment of the Non-Delta Dental Provider's Submitted Fee. Non-Delta Dental Providers will bill you for their normal charges, which may be higher than the Maximum Contract Allowance for the service. You may be required to pay the Provider yourself and then submit a claim to us for reimbursement. The portion of the Maximum Contract Allowance payable by us is limited to the applicable Contract Benefit Level shown in Attachment A. Since our payment for services you receive may be less than the Non-Delta Dental Provider's actual charges, your out-of-pocket cost may be significantly higher. We advise you of any charges not payable by us for which you are responsible. These charges are generally your share of the Maximum Contract Allowance, as well as any Deductibles, charges where the maximum has been exceeded, and/or charges for non-covered services.

How to Submit a Claim

Delta Dental does not require special claim forms. However, most dental offices have Claim Forms available. PPO and Premier Providers will fill out and submit your claims paperwork for you. Some Non-Delta Dental Providers may also provide this service upon your request. If you receive services from a Non-Delta Dental Provider who does not provide this service, you can submit your own claim directly to us. Please refer to the section titled "Notice of Claim Form" for more information.

Your dental office should be able to assist you in filling out the claim form. Fill out the claim form completely and send it to:

*DELTA DENTAL OF CALIFORNIA
P.O. Box 997330
Sacramento, CA 95899-7339*

CLAIMS APPEAL

We will notify you and your Provider if Benefits are denied for services submitted on a Claim Form, in whole or in part, stating the reason(s) for denial. You have at least 180 days after receiving a notice of denial to request an appeal or grievance by writing to us giving reasons why you believe the denial was wrong. You and your Provider may also ask Delta Dental to examine any additional information provided that may support the appeal or grievance.

Send your appeal or grievance to us at the address shown below:

DELTA DENTAL OF CALIFORNIA
P.O. Box 997330
Sacramento, CA 95899-7339

We will send you a written acknowledgment within 5 days upon receipt of the appeal or grievance. We will make a full and fair review and may ask for more documents during this review if needed. The review will take into account all comments, documents, records or other information, regardless of whether such information was submitted or considered initially. If the review is of a denial based in whole or in part on lack of dental necessity, experimental treatment or clinical judgment in applying the terms of the Contract, we shall consult with a dentist who has appropriate training and experience. The review will be conducted for us by a person who is neither the individual who made the claim denial that is subject to the review, nor the subordinate of such individual. We will send the Enrollee a decision within 30 days after receipt of the Enrollee's appeal or grievance.

If the Enrollee believes he/she needs further review of their appeal or grievance, he/she may contact his/her state regulatory agency if applicable.

GENERAL PROVISIONS

Clinical Examination

Before approving a claim, we will be entitled to receive, to such extent as may be lawful, from any attending or examining Provider, or from hospitals in which a Provider's care is provided, such information and records relating to attendance to or examination of, or treatment provided to, you as may be required to administer the claim, or have you be examined by a dental consultant retained by us at our expense, in or near your community or residence. We will in every case hold such information and records confidential.

Notice of Claim Form

We will give you or your Provider, on request, a Claim Form to make claim for Benefits. To make a claim, the form should be completed and signed by the Provider who performed the services and by the patient (or the parent or guardian if the patient is a minor) and submitted to us at the address above.

If the form is not furnished by us within 15 days after requested by you or your Provider, the requirements for proof of loss set forth in the next paragraph will be deemed to have been complied with upon the submission to us, within the time established in said paragraph for filing proofs of loss, of written proof covering the occurrence, the character and the extent of the loss for which claim is made. You or your Provider may download a Claim Form from our website.

Written Notice of Claim/Proof of Loss

We must be given written proof of loss within 12 months after the date of the loss. If it is not reasonably possible to give written proof in the time required, the claim will not be reduced or denied solely for this reason, provided proof is filed as soon as reasonably possible. In any event, proof of loss must be given no later than one year from such time (unless the claimant was legally incapacitated). All written proof of loss must be given to us within 12 months of the termination of the Contract.

Time of Payment

Claims payable under the Contract for any loss other than loss for which the Contract provides any periodic payment will be processed no later than 30 days after written proof of loss is received. We will notify you and your Provider of any additional information needed to process the claim within this 30 day period.

To Whom Benefits Are Paid

It is not required that the service be provided by a specific dentist. Payment for services provided by a PPO or Premier Provider will be made directly to the dentist. Any other payments provided by the Contract will be made to you. All Benefits not paid to the Provider will be payable to you, the Primary Enrollee, or Dependent Enrollee, or to your estate, or to an alternate recipient as directed by court order, except that if the person is a minor or otherwise not competent to give a valid release, Benefits may be payable to his or her parent, guardian or other person actually supporting him or her.

Misstatements on Application; Effect

In the absence of fraud or intentional misrepresentation of material fact in applying for or procuring coverage under the Contract, all statements made by you or the Contractholder will be deemed representations and not warranties. No such statement will be used in defense to a claim under the Contract, unless it is contained in a written application.

Any misrepresentation, omission, concealment of fact or incorrect statement which is material to the acceptance of risk may prevent recovery if, had the true facts been known to us, we would not in good faith have issued the contract at the same premium rate. If any misstatement would materially affect the rates, we reserve the right to adjust the premium to reflect your actual circumstances at enrollment.

Legal Actions

No action at law or in equity will be brought to recover on the Contract prior to expiration of 60 days after proof of loss has been filed in accordance with requirements of the Contract, nor will an action be brought at all unless brought within three (3) years from expiration of the time within which proof of loss is required by the Contract.
