Please review the Evidence of Coverage for more about Benefits that require prior authorization.

Notes

1 Evidence of Coverage (EOC):

The Evidence of Coverage (EOC) describes the Benefits, limitations, and exclusions that apply to coverage under this Plan. Please review the EOC for more details of coverage outlined in this Summary of Benefits. You can request a copy of the EOC at any time.

Capitalized terms are defined in the EOC. Refer to the EOC for an explanation of the terms used in this Summary of Benefits.

2 Calendar Year Deductible (CYD):

Calendar Year Deductible explained. A Deductible is the amount you pay each Calendar Year before Blue Shield pays for Covered Services under the Plan.

If this Plan has any Calendar Year Deductible(s), Covered Services subject to that Deductible are identified with a check mark (✓) in the Benefits chart above.

Covered Services not subject to the Calendar Year medical Deductible. Some Covered Services received from Participating Providers are paid by Blue Shield before you meet any Calendar Year medical Deductible. These Covered Services do not have a check mark (✓) next to them in the "CYD applies" column in the Benefits chart above.

This Plan has a combined Participating Provider and Non-Participating Provider Calendar Year Deductible.

Family coverage has an individual Deductible within the Family Deductible. This means that the Deductible will be met for an individual with Family coverage who meets the individual Deductible prior to the Family meeting the Family Deductible within a Calendar Year.

Notes

3 Using Participating Providers:

Participating Providers have a contract to provide health care services to Members. When you receive Covered Services from a Participating Provider, you are only responsible for the Copayment or Coinsurance, once any Calendar Year Deductible has been met.

Teladoc. Teladoc mental health and substance use disorder (behavioral health) consultations are provided through Teladoc. These services are not administered by Blue Shield's Mental Health Service Administrator (MHSA).

"Allowable Amount" is defined in the EOC. In addition:

- Coinsurance is calculated from the Allowable Amount.
-

4 Using Non-Participating Providers:

Non-Participating Providers do not have a contract to provide health care services to Members. When you receive Covered Services from a Non-Participating Provider, you are responsible for:

- the Copayment or Coinsurance (once any Calendar Year Deductible has been met), and
- any charges above the Allowable Amount.

"Allowable Amount" is defined in the EOC. In addition:

- Coinsurance is calculated from the Allowable Amount, which is subject to any stated Benefit maximum.
 - Charges above the Allowable Amount do not count towards the Out-of-Pocket Maximum, and are your responsibility for payment to the provider. This out-of-pocket expense can be significant.
-

5 Calendar Year Out-of-Pocket Maximum (OOPM):

Calendar Year Out-of-Pocket Maximum explained. The Out-of-Pocket Maximum is the most you are required to pay for Covered Services in a Calendar Year. Once you reach your Out-of-Pocket Maximum, Blue Shield will pay 100% of the Allowable Amount for Covered Services for the rest of the Calendar Year.

Your payment after you reach the Calendar Year OOPM. You will continue to pay all charges for services that are not covered and charges above the Allowable Amount.

Any Deductibles count towards the OOPM. Any amounts you pay that count towards the medical Calendar Year Deductible also count towards the Calendar Year Out-of-Pocket Maximum.

This Plan has a Participating Provider OOPM as well as a combined Participating Provider and Non-Participating Provider OOPM. This means that any amounts you pay towards your Participating Provider OOPM also count towards your combined Participating and Non-Participating Provider OOPM.

Family coverage has an individual OOPM within the Family OOPM. This means that the OOPM will be met for an individual with Family coverage who meets the individual OOPM prior to the Family meeting the Family OOPM within a Calendar Year.

6 Separate Member Payments When Multiple Covered Services are Received:

Each time you receive multiple Covered Services, you might have separate payments (Copayment or Coinsurance) for each service. When this happens, you may be responsible for multiple Copayments or Coinsurance. For example, you may owe an office visit payment in addition to an allergy serum payment when you visit the doctor for an allergy shot.

Notes

7 Preventive Health Services:

If you only receive Preventive Health Services during a Physician office visit, there is no Copayment or Coinsurance for the visit by a Participating Provider. If you receive both Preventive Health Services and other Covered Services during the Physician office visit, you may have a Copayment or Coinsurance for the visit.

Plans may be modified to ensure compliance with State and Federal requirements.

1 Calendar Year Brand Drug Deductible (CYD):

Calendar Year Brand Drug Deductible explained. A Calendar Year Brand Drug Deductible is the amount you pay each Calendar Year before Blue Shield pays for outpatient prescription Drugs under this Benefit.

If this Benefit has a Calendar Year Brand Drug Deductible, outpatient prescription Drugs subject to the Deductible are identified with a check mark (✓) in the Benefits chart above.

Any applicable Copayment, Coinsurance and CYD you pay does not count towards the Calendar Year Out-of-Pocket Maximum. Outpatient prescription Drugs not subject to the Calendar Year Brand Drug Deductible. Some outpatient prescription Drugs received from Participating Pharmacies are paid by Blue Shield before you meet any Calendar Year Pharmacy Deductible. These outpatient prescription Drugs do not have a check mark (✓) next to them in the "CYD applies" column in the Prescription Drug Benefits chart above.

2 Using Participating Pharmacies:

Participating Pharmacies have a contract to provide outpatient prescription Drugs to Members. When you obtain covered prescription Drugs from a Participating Pharmacy, you are only responsible for the Copayment or Coinsurance, once any Calendar Year Pharmacy Deductible has been met.

Participating Pharmacies and Drug Formulary. You can find a Participating Pharmacy and the Drug Formulary by visiting www.blueshieldca.com/wellness/drugs/formulary#heading2.

3 Using Non-Participating Pharmacies:

Non-Participating Pharmacies do not have a contract to provide outpatient prescription Drugs to Members. When you obtain prescription Drugs from a Non-Participating Pharmacy, you must pay all charges for the prescription, then submit a completed claim form for reimbursement. You will be reimbursed based on the price you paid for the Drug.

4 Outpatient Prescription Drug Coverage:

Medicare Part D-creditable coverage-

This prescription Drug coverage is on average equivalent to or better than the standard benefit set by the federal government for Medicare Part D (also called creditable coverage). Because this prescription Drug coverage is creditable, you do not have to enroll in Medicare Part D while you maintain this coverage; however, you should be aware that if you do not enroll in Medicare Part D within 63 days following termination of this coverage, you could be subject to Medicare Part D premium penalties.

5 Outpatient Prescription Drug Coverage:

Brand Drug coverage when a Generic Drug is available. If you select a Brand Drug when a Generic Drug equivalent is available, you are responsible for the difference between the cost to Blue Shield for the Brand Drug and its Generic Drug equivalent plus the Formulary Generic Copayment or Coinsurance. This difference in cost will not count towards any Calendar Year Brand Drug Deductible, medical Deductible, or the Calendar Year Out-of-Pocket Maximum. If your Physician or Health Care Provider prescribes a Brand Drug and indicates that a Generic Drug equivalent should not be substituted, you pay your applicable tier Copayment or Coinsurance. If your Physician or Health Care Provider does not indicate that a Generic Drug equivalent should not be substituted, you may request a Medical Necessity Review. If approved, the Brand Drug will be covered at the applicable Drug Copayment or Coinsurance.

Short-Cycle Specialty Drug program. This program allows initial prescriptions for select Specialty Drugs to be filled for a 15-day supply with your approval. When this occurs, the Copayment or Coinsurance will be pro-rated.

Specialty Drugs. Specialty Drugs are only available from a Network Specialty Pharmacy, up to a 30-day supply.

Benefit designs may be modified to ensure compliance with State and Federal requirements.
